What is Nephrology?

Nephrology manages the diagnosis and treatment of kidney diseases. Kidney specialists (Nephrologists) are trained to treat many kidney disorders, often working with other internal medicine providers for positive outcomes. Dr. Rafael Baracaldo and Dr. Michael Babigumira are Kidney Specialists available locally at RCHC via TeleMed from Garden City, KS.

For more information about TeleMed services call (785)626-3211.

Patient Portal

RCHC is pleased to provide you with online access to your health information.

Through our Patient Portal, accessible at rhc.us, you can:

- View details about your upcoming appointments
- Exchange secure, private messages with our staff
- Update your contact and insurance information
- Read and print important forms
- Access recent lab results and health data

Contact any Admissions Representative at RCHC to sign-up for the Patient Portal or to assist you with questions about the portal.

Community Based Clinic

Rawlins Clinic is grateful to be a second-year recipient of the Community Based Primary Care Clinic Grant. Monies from this fund help Rawlins Clinic provide a safety-net clinic for patients below poverty levels. For questions regarding the clinic's sliding fee scale contact Bailey Philpott at (785)626-3211 ext. 203. Bailey can also help with the sliding fee application process.
