### Walk With Jason

**July 27 • 8am • Lake Atwood Fire Pit**

Bring your friends and family to enjoy a morning stroll around the lake! Walkers attending multiple walks will receive a prize this fall.

### Last Chance for No Cost Physicals

There's still time for your children's no cost daycare, camp, school or sports physicals! The final day to schedule is August 31<sup>st</sup>, and same day appointments are available.

The physicals will be billed to the insurance company; however, if your insurance does not cover the visit, you will not be charged. Immunization records will be checked and billed separately to your insurance if an immunization is needed. Call (785)626-3241 for your appointment today!

### Thinking About Flight Coverage?

**July 27 • RCHC Education Room**

**Stop in Anytime from 10am to 2pm**

Air ambulance membership programs offer coverage to supplement primary insurance or medical benefits in the case you would need a medically necessary air transport. As a Trauma Level IV Center, RCHC utilizes EagleMed and LifeTeam flights to transfer patients to higher care level hospitals. Transfers are necessary in trauma cases. Visit with representatives to discover pricing and learn more about flight coverage.

### Mammograms Save Lives!

Schedule your next Mammogram with Radiology at Rawlins County Health Center! Beginning August 3, the new Mobile Mammography Unit will come to Atwood from Salina. Mammograms will be in 2D, with 3D capabilities coming this fall. Stay close to home for your life-saving exams. Call Sara Hatfield in Radiology at (785)626-3211 ext. 6 for more information or to schedule a Mammogram.
