Take Advantage of Yearly Physicals

Rawlins Clinic providers recommend yearly physicals for preventative health. Under the Affordable Care Act, most insurances provide coverage for yearly physicals and cancer screenings. If you do not have insurance or are under-insured you can apply for a sliding fee scale to help with the cost of your appointment. Call Rawlins Clinic at 626-3241 and schedule your annual physical before the end of the year.

National Influenza Vaccination Week

December 3-9 is National Influenza Vaccination Week. If you haven't received your flu vaccine yet, now is the time! As long as the flu viruses are spreading and causing illness, a flu vaccine can still provide protection against flu. An annual flu vaccine is the best way to protect against the flu. #FighttheFlu!
