RCHC Participates in Drill

Rawlins County Health Center, along with Rawlins County EMS, Rawlins County Health Department, Rawlins County Emergency Management, Rawlins County Courthouse, Rawlins County Sheriff's Department, Rawlins County Fire Department, Rawlins County Dental Clinic and Rawlins County Schools participated in a countywide, live-event to test emergency preparedness policies, and infrastructure in case of an actual emergency. All agencies found areas that they were strong in, and some that need to be improved. Thank you to everyone involved in this event, which only makes Rawlins County a stronger and safer community.
