New Immunizations Required

The Kansas Dept. of Health and Environment is adding two new vaccines to its list of required immunizations for the upcoming school year. Starting this fall, Kindergartners and first-graders need to get two doses of the hepatitis A vaccine. Students going into seventh grade will need to get a meningococcal ACWY vaccinations. Prior to their junior year in high school, they will need another dose of the same vaccine or two of doses if the first one came before their 16th birthday. Rawlins Clinic - Atwood can check your immunizations and get you up-to-date! If you haven't already scheduled your sports and school physicals, make sure to get that done right away and update your immunizations at the same time! Call Rawlins Clinic at 626-3241 to get scheduled and for more information!

Nex-Gen Interns Complete their internships!

Nash Dunker, Brea Lankas, and Ceanne

Schroeder completed the Nex-Gen Internship this summer at RCHC. After completing the internship, Nash is interested in becoming a PA, Brea really enjoyed her time in our Lab, and Ceanne is looking into nursing for her future career. CONGRATULATIONS Nash, Brea, and Ceanne!

Options Seminar

Options came to RCHC on July 31, 2019. Options helps victims of domestic violence, sexual assault, stalking, or sex trafficking. They provide many services including a 24 hour helpline and have 24-hour crisis intervention. Thank you to Options for educating RCHC Staff on ways they can help!

Jerry Moran at RCHC

Rawlins County Health Center hosted US Senator Jerry Moran's town hall meeting on August 5, 2019. Around 31 residents attended, with discussion of veterans healthcare, pharmacy PBM issues, and the 340B program. Thank you to everyone that attended.
