DOCTOR'S DAY, MARCH 30

RCHC is proud of all of our healthcare providers, so on Doctor's Day, we celebrate all of them. Thank you to Dr. Brewster Kellogg; Physician Assistant's Jason Kearns, Kyle Herspring, and Charity Wright; and Nurse Practitioner Jose Renteria for providing quality healthcare at Rawlins County Health Center!

Specialty Providers Update

Due to COVID-19, RCHC Specialty Providers are evaluating their schedules for essential appointments and tele-health options. These dates are subject to change. If you have any questions regarding your appointment, please call 785-626-3211.

COVID-19

RCHC has enhanced its critical care protocols to include engineering additional HVAC solutions in patient rooms and obtaining additional ventilators and is prepared to provide you with excellent care during the COVID-19 epidemic, should it arrive in Rawlins County. If you have a fever, cough, or are short of breath, please call Rawlins Clinic (626-3241) or the hospital (626-3211) before arriving. This will allow our staff to screen you, and make necessary precautions before you arrive.

If you qualify under Kansas Department of Health and Environment guidelines, RCHC has the necessary mediums to test for COVID-19; however, the specimen has to be sent to KDHE or another lab for testing.
