RCHC Provider Update

Rawlins County Health Center has signed a contract with a female doctor who will begin her practice in Atwood in January 2021. While she grows her practice at RCHC, this doctor will work part-time in Atwood and part-time in Goodland.
 Mary Wilkinson, DC, FNP-C has started her new practice and both Jose Renteria, FNP-C, ACNP, and Jason Kearns, PA-C are accepting new patients.
 During the interim, while we begin the search for a new mid-level and await the arrival of our new doctor, Rawlins County Health Center will continue to provide high quality care to all patients. To schedule an appointment in the clinic with any of the providers, call 785-626-3241.

LABOR DAY HOURS

Rawlins Clinic will be open on Saturday, September 5th for the walk-in clinic.
 Rawlins Clinic and Rawlins County Health Center Outpatient Services and Business Offices will be closed on Monday, September 7th.
 As always, the emergency room will remain open for all emergency needs.

TELE-MED APPOINTMENTS AVAILABLE

Rawlins County Health Center has been working hard to secure more tele-med specialty provider appointments for the community. RCHC already has Nephrology, Behavioral Health, and Urology appointments available. The Cancer Care Center in Garden City is now also available for tele-med appointments and we will soon have Endocrinology, Neurology, and Rheumatology.
 Talk to your provider about a referral to one of our specialty providers.
