Rawlins County Health Center to Welcome Dr. Tamara Robbins in January 2021

Atwood, KS – Rawlins County Health Center is proud to announce that Tamara Robbins, MD, will begin her Atwood practice in January 2021. Dr. Robbins and her family will be moving to Rawlins County from northeastern Indiana.

Dr. Robbins is board certified in family medicine, receiving her medical degree from Indiana University School of Medicine. She completed her residency in family medicine and proudly serves her current community, not only as a physician, but as an elected County Commissioner as well.

“I grew up in a rural, farming community, so I know and appreciate the value of hard work,” said Dr. Robbins. “I look forward to the opportunity of providing exceptional, personalized healthcare that every Rawlins County resident deserves.”

Dr. Robbins’ has been honored four times by her local newspaper as one of “Wells County’s Best Family Physicians” in its annual Readers’ Choice Awards.

"The hospital and board are thrilled to bring a medical doctor back to Rawlins County – a development the community has anticipated for a number of years," said Dr. Ron Robinson, RCHC CEO. "Dr. Robbins will make a wonderful addition to our medical staff as she provides comprehensive family medical care to this area. I truly believe she is a good fit for our community. Dr. Robbins will initially practice part-time here, and part-time in Goodland. Our vision is for her Atwood practice to rapidly build to full-time."

Dr. Robbins will join Mary Wilkinson, DC, FNP in the traditional clinic schedule. Jason Kearns, PA-C, Jose Renteria, ACNP, Paul Young, PA-C, and Brian Holgrem, PA-C will work on a rotating block schedule of four days on and eight days off while they also cover the emergency room. Dr. Travis Daise will remain on the medical staff during the transition to Dr. Robbins' new practice.
