What is Endocrinology?

With the addition of Endocrinology as a telemed provider through Freestate Healthcare in Wichita, patients with diabetes, thyroid, and hormone issues can have specialty coverage close to home. Endocrinologists specialize in the endocrine system, its diseases, glands, and the hormones they make. If you are interested in a referral to an endocrinologist, please visit with your primary care provider.

Early Detection Works now available

Cancer screenings save lives! Rawlins County Health Center is now part of Early Detection Works, which provides free breast cancer screenings, including clinical breast exams and mammograms and cervical cancer screenings (Pap and HPV). To be eligible, you must be uninsured and fall below the monthly and annual maximum income requirements. Schedule your screenings now, and ask if you qualify for Early Detection Works. You can also visit www.kdheks.gov/edw/ for more information.

Holiday Hours

Rawlins Clinic, Outpatient Services, and Business Offices will close at noon December 24 and reopen Monday, December 28. They will also be closed on Friday, January 1, 2021.

LINDA GINTHER, PTA RETIRES

Linda Ginther, Physical Therapy Assistant, will be retiring from Rawlins County Health Center on December 30. Linda has dedicated 27 years to helping Rawlins County residents in the Physical Therapy Department. Please shower Linda with cards of appreciation and well wishes. Cards can reach her at RCHC, 707 Grant Street, Atwood, KS, 67730. Thank you, Linda, for providing quality healthcare to your patients!
