Thank You!

With the combination of memorial donations from the Robert "Bob" Nemeth and Gilbert Frisbie families and the generosity of the Atwood Second Century, Rawlins County Health Center is adding a blood flow restriction (BFR) cuff to its resources available for physical therapy patients. Ryan Willis, Physical Therapist, has experience using BFR to help patients recover from sports injuries and surgeries and improve overall strength. Thank you to Atwood Second Century and the families of Robert "Bob" Nemeth and Gilbert Frisbie for your kind financial support. If you would like to set up memorial donations for your loved one, please visit Suzanna with RCHC Foundation, ext. 2220.

Regional Healthcare Employee News

Rawlins County Health Center, Goodland Regional Medical Center, and Kit Carson County Health Service District are announcing the promotion and hiring of two regional positions. Effective April 4th, Destiny Schroeder, RHIT will be the new Revenue Cycle Director for the three hospitals. Additionally, effective April 11th, Gina Eastin will be the Regional Analyst for the three hospitals. Please help us congratulate Destiny and welcome Gina!

Free At Home Covid-19 Tests Available

Rawlins Clinic has FREE COVID-19 Home Test Kits available for pickup during clinic hours. These test kits must be picked up from the clinic and are available while supplies last. For questions regarding the test kits, please call Misty at Rawlins Clinic, ext. 2301.
