FOR IMMEDIATE RELEASE

Wound Care Center at Rawlins County Health Center Receives Clinical Distinction Award

Biannual award acknowledges exceptional success in wound healing rates, safety goals.

Atwood, KS. – August 16, 2022 – Rawlins County Health Center is pleased to announce the Wound Care Center is a recipient of RestorixHealth's Clinical Distinction Award. Recipients of this award meet or exceed national quality benchmarks over a set period. Rawlins County Health Center also received this award in 2019 and 2021, along with the Patient Satisfaction Award in both of those years.

"This achievement reaffirms the quality of care the Wound Care Center provides its patients," said Tamara Robbins, MD. "We are proud to be a recipient of an award that recognizes the hard work and dedication of our staff."

RestorixHealth launched its Clinical Distinction recognition program to recognize those centers that have demonstrated success by meeting or exceeding patient safety goals and a 90% healing rate.

The Rawlins County Health Center Wound Care Center is dedicated to optimizing outcomes and preventing lower limb loss in those patients with non-healing wounds. The approach to wound care is aggressive and comprehensive, coordinating traditional and advanced therapies and techniques that are proven to reduce healing time and improve healing rates.

The center is staffed with a multidisciplinary team of a provider, nurses, and technicians with advanced training in wound care. Integrating a team of wound care professionals optimizes patient care while offering the most advanced healing options.

The Wound Care Center is located in Rawlins County Health Center and is available on Tuesdays. For more information, please call 877-295-2273.
