

Rubadue Wire Co., Inc. implemented and maintains an Environmental Management System in accordance with ISO 14001 to improve environmental management and reduce the environmental impacts of operations, activities, products and services.

Within the structure of our Environmental Management System we commit to:

- Identify materials, processes, products, and waste that cause or may cause pollution, and implement measures to prevent pollution.
- Communicate our environmental policy to all persons working for or on behalf of Rubadue Wire Co., Inc.
- Comply with applicable environmental laws, regulations, codes of practice and other environmental requirements to which the company subscribes.
- To achieve and maintain compliance by setting and reviewing environmental objectives and targets.
- Continually improve the Environmental Management System to ensure that it is appropriate and effective for helping us to achieve our environmental goals.

A handwritten signature in blue ink, appearing to read 'ST', is positioned above a horizontal line.
