

Rubadue Wire Co., Inc. manufactures insulated wire products for the global marketplace. We strive to protect the local and environment by reducing the environmental impacts of our operations, activities, products and services.

- Identify materials, processes, products, and waste that cause or may cause pollution, and implement measures to prevent pollution.
- Communicate our environmental policy to all persons working for or on behalf of Rubadue Wire Co., Inc.
- Comply with applicable environmental laws, regulations, codes of practice and other environmental requirements to which the company subscribes.
- To achieve and maintain compliance by setting and reviewing environmental objectives and targets.
- To communicate the considerations of our product life cycle impacts, aspects and activities
- Continually improve the Environmental Management System to ensure that it is appropriate and effective for helping us to achieve our environmental goals.

A handwritten signature in blue ink, appearing to read 'ST', is positioned above a horizontal line.
