

SENARA SPA SERVICE POLICIES

Scheduling Appointments

Spa services are made by reservation and are secured with a valid credit card. We recommend scheduling your spa day one or more weeks in advance to ensure availability. For spa packages and groups, we recommend scheduling two or more weeks in advance. Group bookings may require a 50% deposit.

Service Times

All appointments will begin and end on your scheduled time. Therefore, arriving late will reduce the timeframe of your service, and for extremely late arrivals may require cancellation of your service entirely. In either case, full charges for the time of your scheduled service(s) will apply.

Appointment Cancellations

We require the courtesy of a 24-hour cancellation on all spa services, and 72-hour cancellation notice on all spa packages. For groups of three or more guests a 72 hour to 10-day cancellation policy will apply (subject to total number of services scheduled).

Appointments cancelled less than 24 hours in advance will be charged at the full rate for the scheduled service(s). Spa package appointments cancelled less than 72 hours in advance will be charged at the full package rate. Group packages cancelled less than 10 days in advance will be charged at the full rate for all services cancelled.

Missed Appointments

Missed appointments will be charged at the full rate for the scheduled service(s).

Personal Property Loss or Damage

Senara is not responsible for loss of or damage to any personal items guests may bring to our facility, including valuables. We strongly recommend leaving valuables at home, and if you do bring them, you should keep them in your possession at all times.

All service prices are subject to change without notice.

MEDICAL & DAY SPA MENU

welcome

At Senara, you will feel nothing less than a truly magical experience—for your mind, body, and spirit.

It's where you can come to reconnect with yourself, take a break from everyday life, and focus on your health and wellness in a setting where it's easy to relax and recharge.

Our mission is to provide you with an unrivaled experience—we call it the Senara Experience—to help you Live *Life Well*.

Live Life Well.

SUGGESTED ARRIVAL TIME

To fully enjoy your experience, we ask that you arrive at least 20 minutes prior to your scheduled service appointment. This will give you plenty of time to relax in our comfortable lounge. It also helps set the stage and mood for you to enjoy a truly relaxing spa experience.

DAY SPA AMENITIES

Luxurious robes and slippers are provided for your day spa experience. Our well-appointed separate locker rooms include all the amenities you could want, from soothing showers and shampoo to fresh towels and hairdryers.

MEDICAL CONDITION NOTIFICATION

Be sure to alert your service technician if you have any medical conditions, or if you are pregnant as some treatments may be contraindicated.

STANDARD SERVICE CHARGE

For your convenience, a standard 20 percent service charge for gratuities will be added to all day spa services upon checkout. This amount will be confirmed with you prior to payment and may be adjusted as you see fit. This charge does not apply for medically prescribed therapy.
