

ABOUT US

Our Student Salon and Spa is a place where our Future Professionals can provide you with a variety of Hair Services and Beauty Treatments. Our Instructors are dedicated to not only providing a positive learning environment for our students, but also ensuring a great client experience.

Stop by our Retail Center for your beauty needs. We have products that promote results in all aspects of Hair, Skin, and Nails.

We have been educating in the Cosmetology Field since 1969. We take pride in having top notch instructors who care about our students success. Our students learn the latest techniques as well as a solid foundation of skills. We take pride in the work that is performed in the Student Salon & Spa and we appreciate each and every client. The way we see it is that every client, in some way will contribute to the student's education. We thank you for that! Our main priority is preparing our students to be ready to enter the beauty industry upon graduation and land their dream job.

We have two locations that are minutes from Downtown Pittsburgh. Our South Hills location in Dormont Borough is only a 10 minute drive from the Liberty tunnels. We have over 12,000 square feet, that includes 3 floors dedicated to education. Our North Hills offers 9,000 square feet of state of the art space dedicated to education. We are located the Borough of West View, minutes from McKnight Rd, Rt. 19 and I 279. We serve Pittsburgh, western Pennsylvania, as well as West Virginia and Ohio.
