

## COURSE HOURS: 300

### Academic – 100 hours

You will learn the academics behind the services. You will be educated in safety and sanitation, sciences, basic and advanced manicure and pedicure techniques, massage techniques, anatomy and physiology of the hands, feet and nails, artificial nail application including nail tips, acrylic, gels, and nail wraps, and nail artistry.

### Clinic-60 hours

Teachers will base evaluations on performance before, during, and after a client service. You will be evaluated on providing a service that is safe and sanitary for the client, professionalism, attitude, and building client relationships.

### Practical-

MANICURING & PEDICURING: 45 hours

You will learn safety and sanitation, basic and advanced manicure/pedicure set up and procedure, and proper use of products and instrumentation.

AARTIFICIAL NAIL APPLICATION: 65 hours

Learn the intricate technique of acrylic nail applications, sculpture nails, chemistry and safety precautions for artificial nail enhancements. A Nail tip application and filing techniques, Gel nail procedure, and nail wraps.

NAIL ARTISTRY: 10 hours

You will practice the latest trends in Nail art using many different creative designs, products, materials, and airbrushing.

STATE LAW AND PROCEDURES: 20 hours

You will study the PA state laws of cosmetology. We will provide you with instruction and assessment in both academic and practical during Mock State Board testing and reviews.

## REQUIRED LEVEL OF ACHEIVEMENT: ACADEMIC:

Students are tested in the following manner: written tests of each chapter, and oral quizzes on each chapter. The Student must maintain a 75% grade point average in all aspects of the course. If the requirements are not met, a student SAP review is performed.

### STANDARDS FOR ACADEMICS
