GRADUATION: Based on all students scheduled to graduate from the program in 2018. The scheduled graduation date is a student’s most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

LICENSURE: Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2019. A student in the licensure cohort may count as a “pass” if they pass all required portions of the examination prior to November 30, 2019.

PLACEMENT: Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2019.
