

SUMMER

Workshops 2023

About The 2019 Brain Zone Summer Workshops: You select the subject - we'll help you

determine the complexity level - and our instructors will take care of the rest!

- Open enrollment workshops are offered for Elementary, Jr. High, and High School students
- No more than 6 students per group
- Each three-week workshop will be scheduled on *Monday, Wednesday, and Friday* between 10-12pm.

\$225 Early Enrollment Discount before May 12th, 2023

Call to schedule a FREE consultation and initial assessment, and see which workshops are right for you!

Genius Academy: A Cognitive Training Workshop

Session 1: June 12th-June 30th / Session 2: July 3rd-21st

A multisensory, brain-training workshop with materials scientifically proven to accelerate learning by exercising concentration, memory, and critical thinking skills. This is your opportunity to improve the cognitive skills necessary for effective reading, spelling, and writing.

- Level 1 – Basic Brain Training
- Level 2 – Intermediate Brain Training
- Level 3 – Advanced Brain Training

FUNDamentals of Reading

Session 1: June 12th-July 30th / Session 2: July 3rd-21st

Our popular **FUNDamentals of Reading Summer Camp** is now the best way to stay sharp in the summer and get ready for the new year. **Scaffolding** approaches for critical thinking, reading comprehension will be introduced. Campers will discuss decoding techniques, spelling constructions, and syllable types.

- Level 1 – Single Syllable Words – Sounds and Rules
- Level 2 – Multi-Syllable Reading Strategies
- Level 3 – Comprehension Class

Writing Workshops

Session 1: June 12th-June 30th / Session 2: July 2nd-21st

Common Core success hinges on expressive language – learn how to write the short answers, summaries, and essays that your school is looking for. Students will be introduced to compelling hooks, strong thesis statements, essay enhancing tricks, and persuasive techniques. **Creative Writing** students will learn about story construction, character development, and stylized writing tricks.

- Level 1 – Single Paragraph Essays
- Level 2 – Multi-Paragraph Essays
- Level 3 – Creative Writing

Math Masters

Session 1: June 12th-June 30th / Session 2: July 2nd-21st

Consistent with Common Core Math's multisensory, critical thinking approach, students will learn more than how to solve problems with formulas, they will learn why formulas solve problems. Word problem analysis and written expression tricks will be included. Review last year's material and get ahead of the coming content.

- Level 1 – Basic Math
- Level 2 – Fractions, Integers, and Memorization Strategies
- Level 3 – Integrated Math 1

WORKSHOP POLICIES, FEES REGISTRATION CANCELLATION PROTOCOL

Early enrollment discounts are honored with a registration returned on or before 5/12/23 paid in full. Please note, if there is availability in a workshop, registration can be guaranteed only if scheduled before 5/12/23

FEE SCHEDULE

*Workshop fees include the cost of 9 classes/18 academic hours and all student materials.

\$225.00/student – Early enrollment (on or before 5/12/23)

\$275.00/student – Regular enrollment

\$250.00/student – Sibling Discount

Workshop dates are fixed and make-up sessions will not be offered if a student cannot attend a group class. Please make every attempt to attend every session; quite a lot of material will be covered in a short amount of time.

Workshops will be offered virtually

Our virtual workshop will be engaging and interactive. All materials will be delivered either in person or through a mail service. Delivery fee may apply depending on location of the delivery and date.
