MARCH 2017

You'll love what's new at Decorá! Beautiful colors and a new inset door style, perfect for helping them refresh and renew their home. You'll enjoy plenty of product enhancements, designed to assist in creating the perfect plan!

*interesting  
aqua*

A breath of fresh air.

Decorá's new shade of blue happily adds a pop of subtle color to enhance any space, or quietly offers a serene backdrop for relaxed living. With hues of blues and greens that are trend-forward and steadily rising, your clients will appreciate color choices that spark interest and speak to creativity.

*north star*

With another neutral  
to add to your arsenal,  
Decorá introduces North  
Star – an on-trend gray  
with a bent toward blue.  
Cooling down a wealth  
of warm tones with a  
cooler option, North Star  
creates a color story that  
is in demand today.

*gunny*

Looking for the perfect wood tone to set the stage? Enter Gunny.

A neutral brown that plays on the absence of red and yellow undertones, Gunny becomes the ideal understudy. While happy to stand in the spotlight, Gunny's favorite role allows other finishes and soft coverings to stand proud, for a scene that is worthy of an encore.

# *Haskins inset*

One of our most popular introductions to date, the beautifully detailed Haskins door is now available with inset door construction. Choose from beaded or no-bead options, with nine-piece drawer front detail as standard. Appreciate the versatility of Decorá, with selections that aim to please.

*create a  
spirit of  
modernity*

More choices add  
stunning visual interest,  
with new aluminum frame  
finishes and exciting  
insert options that offer  
a contemporary vibe.  
Enjoy beautiful leathers  
that capture the essence  
of nature, and you'll  
appreciate the creative  
functionality of write-on  
capability with our back-  
painted glass.

*the shape  
of things  
to come*

Fashionable and fun  
describe new details that  
add rustic industrial and  
sculptural silhouettes for  
a refreshingly simplified  
approach to design.

Choose from over 200  
pieces that include  
legs, feet and shelving  
options to accentuate  
those designs that lend  
themselves to a modern  
mix of style – perfect for  
the way we live now.

## EXPANDED FURNITURE DRAWER WIDTHS

Enjoy new standard drawer options of 39", 42", 45" and 48" widths, paired with the ability to modify both width and height in 1/4" increments. Wide drawers feature better accessibility and greater storage opportunity, perfect for both modern and traditional designs.

## STANDARD STACKED WALL CABINET HEIGHTS

No need to specify a special. Enjoy new standard heights of stacked wall cabinets at 36", 39", 42" and 45" with no modification costs or irksome field modification.

## INCREASED WIDTH MODIFICATION EXPANSION

You'll appreciate the ability to increase widths on panels, including BEP, WEP, RBEP and RWEP at no charge, within Price and Specification Book guidelines per panel type. Tray Base Cabinetry is now available in 1/4" increments at no charge (excluding the 18" model). Again, refer to your Decorá Price and Specification Book for more.

## QUIETCLOSE™ FEATURE FOR BASE MIXER CABINET

Same great cabinet, now featuring the same great QuietClose technology that your customers have come to expect with Decorá Cabinetry.

Styles, product availability and construction may vary slightly from those shown in this catalog due to material availability and/or design evolution. Specifications are subject to change without notice. For more details, please see [www.decoracabinets.com](http://www.decoracabinets.com) or contact customer service.

Please note that paints featuring the same color name as your cabinetry are not guaranteed to be an exact color match. When seeking to match the color of your Decorá Cabinetry, take a cabinet door to your nearest Sherwin-Williams® paint store to be color matched and reduce the likelihood of color variation. Exact color matching is not guaranteed, and MasterBrand Cabinets is not responsible for color discrepancies.

Product photography and illustrations have been reproduced as accurately as printing technologies permit.
