During grooming, The Dog Pawlour may use a non-tightening, well fitted, swiveling tether to safely secure your pet. If your pet is aggressive, groomers may use a comfort soft muzzle to prevent biting. Grooming tethers or muzzles will only be used under constant direct human supervision. Your dog will be crated during its stay at The Dog Pawlour.

If your pet is hurt, becomes ill, or in the unlikely event of death, The Dog Pawlour has Permission to call or take pet to a veterinarian of our choice. If pet's vet is inaccessible; or administer medication; or give other advisable attention, with our discretion and judgment, and such expenses will be paid promptly by owner unless injury is direct result of negligence of dogs. We will not be held responsible for any sickness or injury caused to the pet itself during grooming.

We reserve the right to refuse service to customers whose pet may pose threat to us or other pets left in our care, whether it be aggression, health, or parasite problems. We may also charge additional fees for services we consider over the above norm covered by our standard rates.

I have read the above information and understand the policies and liability release.
