Parenting of Teens Support Group

Contact: Glenda Ansley
910-253-8220

310 Government Center Drive Unit 2
Bolivia, NC 28422

Provides assistance to parents who need help communicating with their teens, direction with discipline and insight into today's teen issues. Classes meet twice a month and are facilitated by The Winds Counseling Center. The classes are free and open to all.

Parents as Teachers

910-754-3166

4902 Main Street
Shallotte, NC 28470

Parent educators, including bilingual parent educators, provide information to parents on the stages of child development, learning materials and how to meet their child's needs. They conduct screenings and link parents to other community resources. The PAT educators conduct home visits and hold group events and meetings.

Seaside United Methodist Church Grandparent Support Group

910-579-5753

1300 Seaside Road SW
Sunset Beach

Support group for grandparents raising grandchildren. Meets weekly, peer support, faith-based, facilitated by Associate Pastor.

Single Parent Support Group

Contact: Trish Poulos
910-579-3591

Union Elementary School

Meets once per month. Children are invited to attend. Area churches provide the meeting location, dinner and childcare.

Family Support Network of Southeastern NC

910-792-6133 or 877-749-7011

1601 S. College Rd, Suite 301
Wilmington, NC 28403

Support services to parents with children that were born premature or with other special conditions, have a developmental or learning disability, have a chronic illness, have emotional, behavioral or attention challenges, have a disability that resulted from a traumatic accident or illness, and/or is a foster child. Services include: parent-to-parent program, assistance with school issues, information and resource referrals locally and statewide, and training.

Hope Harbor Home

910-754-5726 Office

Brunswick County Health

Department Programs & Clinics

253-2250/888-428-4429

Page 4

Adult Primary Care/Senior Health Services-

Offers screening, diagnosis, and management of chronic or stable health problems such as diabetes, high blood pressure, and high cholesterol. We provide treatment of minor illnesses like flu, colds, gastric upset and offer pre-employment, school and DOT physicals. Our program is staffed by an experienced Adult Nurse Practitioner who works in collaboration with Dr. Daniel Blizzard. Our mission is to reach all areas of the county with the mobile health unit. We accept Medicare, Medicaid, many insurances and have sliding scale fees. Appointments available on mobile unit and at main health department.

Baby Love-

Pregnancy Care Management services are available at the BCHD by a public health social worker. PCM provides counseling and case management to at-risk low income pregnant women to ensure healthy babies are born in Brunswick County. Patients could be eligible for home visits by public health nurse during their post partum period and also during their pregnancy if requested by a physician. Eligibility for this service is based on PCM case management.

Breast Cervical Cancer Control Program (BCCCP)-

Free mammograms and pap smears are provided to screen for cervical and breast cancers. Services are provided for women ages 18-65 and must be income eligible.

Child Screening Clinic-

Children ages birth to 21 years of age, are screened for routine health conditions and the early detection of diseases or abnormalities. A complete physical examination, education, and counseling are included. Kindergarten physical examination and dental varnish may also be provided.

Resources

Page 17

Careline

800-662-7030

Provides parents with resources and referral information for their community.

Child Care Resource & Referral

Contact: Carol Keen
910-755-3362 or 877-422-7710

4902 Main Street/PO Box 2232
Shallotte, NC 28459

Referrals for parents looking for quality childcare, provides referrals to community resources, resource library, parenting newsletter "Family Ties".

Children's Developmental Services Association (CDSA)

Contact: Kathy Clayton
910-251-5817 or 877-763-3120

3311 Burnt Mill Drive
Wilmington, NC 28403

The CDSA is the lead agency for determining eligibility for early intervention services under IDEA Part C, aged birth to 3 years including children referred under the Child Abuse Prevention and Treatment Act (CAPTA). Also provides case management services and oversight of all providers carrying out treatment for those children found eligible for services.

Coastal Horizons Center, Inc.

800-672-2903
615 Shipyard Blvd.
Wilmington, NC 28412

Promotes choices for healthier lives and safer communities by providing a continuum of professional services for prevention, crisis intervention, sexual assault victims, criminal justice alternatives, and treatment of substance use and mental health disorders.

Community Alternatives Program for Children (CAP-C)

Contact: Fran Harris, RN
910-754-5639

Post Office Box 1876
Shallotte, NC 28459

Medical case management and services in the home including nursing, personal care services, nutritional supplements, medical equipment and supplies and respite care to medically fragile children (up to age 19) with significant medical needs who desire to remain in their home and community.

Department Programs & Clinics**253-2250/888-428-4429****Care Coordination for Children (CC4C)-**

A voluntary program available for families of children from birth to age 5 with certain conditions that may interfere with the child's physical, social, or emotional development. This program is free for eligible children and families.

Communicable Disease-

A confidential testing clinic for sexually transmitted and communicable diseases through a physical exam. A nurse provides education, treatment, and information on prevention. These services are free and walk-ins are welcomed. Exams M-T 8:30am-12pm and 1:00-3:00pm. Exams Friday 8:30am-11:00pm. The first Tuesday of the month 8:30am-12pm and 1:00pm-5:00pm.

Environmental Health-

Serves to protect the community by controlling food and water-borne diseases. This is accomplished by educating the public on environmental health issues and by the inspections of food, lodging, and public facilities. Septic tank installation is monitored through soil evaluations, the issuance of permits, and follow-up inspections to determine compliance with all state, local and environmental health laws and rules.

General Clinic-

Offers a wide range of health services in areas that a specified clinic is not established. Included are free childhood immunizations from birth to 18 years of age, allergy shots with physician's order, inspection for head lice with treatment available, screening for tuberculosis, high blood pressure, and cholesterol. Adult and childhood immunizations are available. Fees vary. No appointment is needed for these services. Clinic hours are 8:30am - 12pm and 1:00pm - 4pm Monday through Friday, 8:30am - 12pm and 1:00pm - 6:00pm the first Tuesday of the month.

Page 6

Health Education-

Provides education, counseling, resources, and consultations for health department services. Services help clients take an active role in making lifestyle changes to achieve and maintain optimal health.

Health Promotion-

Provides screening services for the early detection of chronic diseases such as diabetes, cancer, hypertension, and cardiovascular diseases.

Laboratory Services-

Provides lab tests requested by each of the clinics in the Health Department. Other lab testing may be performed with a doctor's order. Fees will vary.

Maternity Clinic-

Gives newborns a healthy start in life by providing expectant moms with early and regular pre-natal care throughout their pregnancy. Patients may choose to deliver at Brunswick Novant Medical Center or New Hanover Regional Medical Center. All pregnant women who are residents in Brunswick County are eligible. A postpartum visit is offered to our patients within two weeks of delivery.

Newborn Home Visits-

A newborn assessment is offered within two weeks after birth. This includes assessment of vital signs, weight, reflexes, feeding and bonding with its mother. Referral to support programs are made based on needs identified during this visit.

Outreach Services-

The Mobile Health Unit is available to go into communities and provide health screenings and services. The health department staff also participates in community events.

Pediatric Primary Care-

Provides well and sick care for children from birth to 21 years of age. Services include physicals for child care, day camps, sports participation, and college. A family nurse practitioner or medical doctor provides exams. Call for an appointment.

Vital Records-

The health director serving as local registrar is responsible for the registration of all births and deaths occurring in Brunswick County, as well as the issuance of burial transit permits and disinterment/reinterment permits.

WIC-

The Women, Infants and Children Nutrition Program (WIC) is a “supplemental nutrition program” offered through the Brunswick County Health Department. The WIC program is available to qualified applicants.

Who is eligible?

- * Pregnant women
- * Women who have recently given birth
- * Breastfeeding women
- * Infants
- * Children up to 5 years old.

These services are available at the Bolivia, Leland, and Shallotte offices. For information and/or appointments please call 910-253-2288 (Bolivia) 371-6868 (Leland) 754-3177 (Shallotte).

Women’s Preventative Health (Family Planning)-

Education, counseling, and contraception is available to women to assist planning and preventing pregnancy. A complete physical is provided. Teenagers do not need parental consent. Fees are offered at a sliding scale. We also offer counseling and information to men interested in vasectomy. Information is also available to income-eligible men to assist with the cost of vasectomy.
