# Stripe 3: Sparring, Board Breaks, and Self Defense

## *Sparring*

At Camouflage Belt, we begin **SPARRING!**

This is a fun, exciting part of your Taekwondo training. Sparring requires full ATA safety gear which includes:

- ATA headgear
- ATA handpads
- ATA Footpads
- ATA Chest Protector
- ATA face Shield
- mouthpiece
- Athletic Cup (For Males)

At Intermediate Ranks, the goal of sparring is to begin to use your taekwondo kicks, strikes, and blocks in a fluid self defense setting. We understand that camo, green and purple belts are new to sparring, and will be sure to go over all the rules and expectations of sparring in class. At this level sparring is a **REQUIREMENT** to advance to the next belt. If you have any questions please ask your instructor!!

## *Board Breaks*

Your practice board break is: **Ridgehand Strike**

Board Breaks are an exciting and challenging part of Taekwondo training! The goal of board breaking is to demonstrate “Power on Command”, or having the power available when you need it. For this reason, students are only given 3 attempts to break their boards during testing. When students see that they can use their Taekwondo to defend themselves their excitement and confidence go through the roof! Board breaks at testing are an “exhibition” and a successful break is not **REQUIRED** until Blue Belt.

## *Warrior Combos / Black Belt Prep*

In order to start preparing our students for black belt testing we will practice Push Ups from black belt testing (goal- 20 push ups), as well as:

- Round Kick, Hook Punch, Elbow Strike

# Self-Defense

The goal for all Thrive Color Belt Self Defense is to teach our students to “get away and stay safe!” This cycle, students will be practicing a defense to a **head lock**. Your instructor will give you a number of options to defend this attack.

Students- The goal of this sheet is to provide an overview of what is required to earn your next belt at testing. Please remember that **NOTHING** can replace regularly attending class, however, if you should have to miss class for any reason, this sheet, along with private lessons or purchasing a curriculum dvd from the front desk can help keep you on track! **Lastly, please don't forget to complete your homework paper and turn it in, along with your testing payment for your fourth stripe! Don't wait until the last minute as the homework sheet can take many days to complete!**

Parents- At Intermediate level the material becomes significantly more challenging! If you find your student is struggling in ANY way, please come talk to us so we can help support you and your child! Intermediate class is a **GREAT** time to consider our Leadership Training Program so that your student gets even more class time!

*We look forward to an exciting cycle with you!- Thrive Martial Arts*
