

The image shows a smartphone displaying the TIMECO mobile app interface. At the top, the TIMECO logo is followed by the user's name, John Adams. Below this, the current time is shown as May 23, 2018 09:22:19 AM. The department is set to Administration, with a dropdown arrow. A status message indicates 'Not submitted'. There are three main action buttons: 'Add Punch' with a location pin icon, 'Add Expense' with a dollar sign icon, and 'My Schedule' with a calendar icon. At the bottom, there are three smaller buttons: 'Submit Timecard', 'Leave Request', and 'Logout'.

State of the art
mobile timekeeping
with GPS location tracking
for validation

Confirm your employees' location
when they punch, transfer, etc.

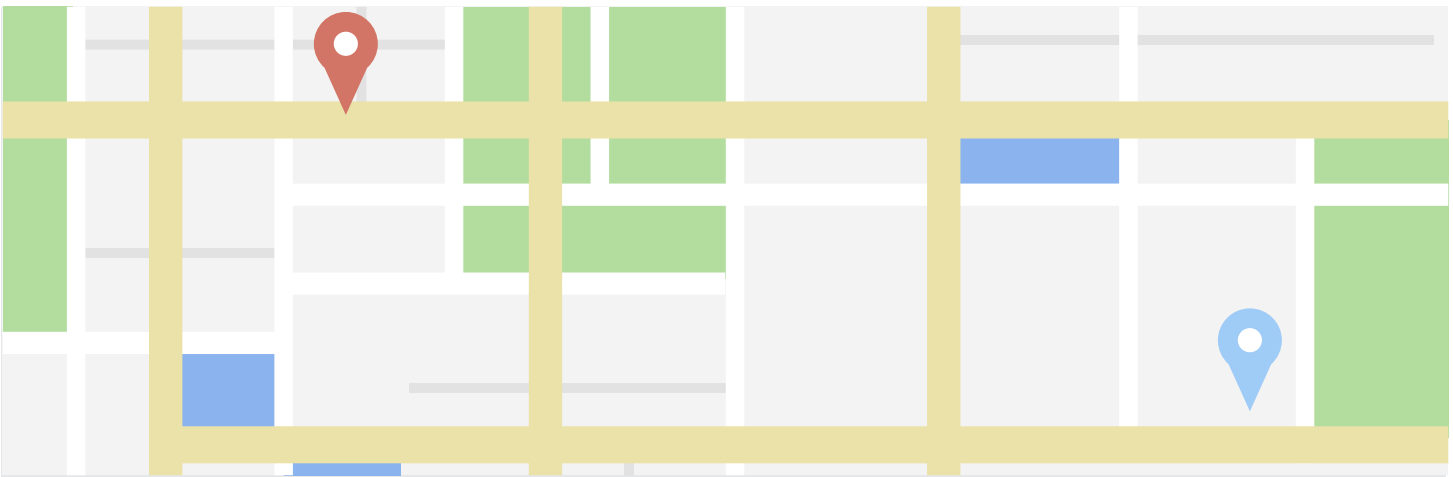

Allow multiple users
per device

Now you can take stock of your business, no matter how distributed your workforce

Every business needs to track where everyone's time is going. With the TIMECO mobile app, your employees will want to track time because it's so easy and fast!

Our mobile app provides a wealth of information, allowing you to manage their time more intelligently. And with geofencing, you need never wonder where your people are located.
