Mission Statement

Our mission at Tiny Turtles Preschool of Jupiter is to assist your child in order that he/she may learn best in an environment that is safe, clean, warm, positive and responsive. Our Philosophy

We believe that each child is unique in his/her own development, has the right to become the very best person that he/she is capable of becoming. Our Curriculum

The Creative Curriculum

Tiny Turtles Preschool of Jupiter follows the Creative Curriculum. This curriculum is designed to challenge our children, build their self-confidence and, most importantly, develop a love for learning. Our multi-cultural based curriculum encourages learning through arts, language, music, and socialization. We believe in age-appropriate learning based on the philosophy of a structured learning environment with the ability for creative expression. This nationally known approach, built upon learning theory and scientific knowledge of child development from early infancy through the preschool years, focuses on teacher- directed and child-initiated learning. The curriculum is goal-directed, based on ongoing assessments for each child's strengths and interests. With this information, learning can be guided while the child's social and emotional development is supported. Recognizing the important role of parents and family as partners in the young child's education, we will keep parents informed of the goals in the classroom and of how learning can be reinforced at home.

The original report requires to be signed by the parent as well as the staff member who witnessed the accident/incident. The original document must stay at the school in the child's file and a copy maybe requested by a parent for his or her keeping.

If the injury is more than slight, the parent is notified immediately. In the case of serious accidents or medical emergency, 911 is dialed immediately in case emergency medical measures are necessary for the care and protection of the child.

Biting is Common

We realize that biting is normal behavior and common especially during toddler years and are almost impossible to prevent at this age and a part of a child's development. We work quickly and efficiently with our parents to resolve biting issues.

Excessive bite reports will result in a suspension or termination from our program. If a child three years or older is reported biting, the incidents may result in termination of enrollment.

Younger children will receive a Daily Report from your child's caregivers, which will outline your child's activities and routines of the day. A "comment area" is also added so parents can share any information for their child's caregivers.

Drills and Evacuations

Emergency fire drills are mandatory by law and conducted monthly to prepare the child should an emergency situation arise. Our School is equipped with a fire alarm system, some with ceiling sprinklers, and fire extinguishers. It is important to talk to your child should they raise questions or concerns about the drills and we will prepare them in advance as well. Each classroom has an exit to the exterior outside. In event of a fire, each classroom will be escorted by the staff through the appropriate exits onto the enclosed playground or designated area. Infants are placed in evacuation cribs and exited by the staff. Staff will take attendance records with them and attendance will be taken once outside to make sure all children are accounted for. No one can enter the building until a final sweep and clearance has been given to return to the building.

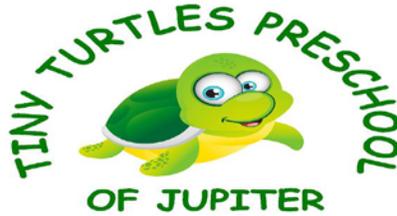

Emergency Evacuations

IN CASE OF A THREAT: In the event there has been a threat made on the Tiny Turtles Preschool of Jupiter facility or nearby facility, the local law enforcement officials will be called and a lock-down of the School will take place. During a lockdown and as with all times during school hours, all exterior doors will remain locked and during a lock down no one can enter or exit the building until the appropriate authorities arrive.

In Case of Severe Weather/Hurricane Emergency

Tiny Turtles Preschool of Jupiter follows the Palm Beach County Public School closings for severe weather or emergency situations. If severe weather/Hurricane occurs during school hours, all parents will be notified immediately to pick up the child if a hurricane watch becomes a hurricane warning, however, the child will not be released until it is safe to do so. In the event of a Tornado, the children will remain in their classrooms moved away from the doors and windows. Older children three through pre- kindergarten will go under the tables in the classroom in the tuck and cover back of neck position. Children will remain in the classroom until the Tornado warning has been lifted. Infants will be placed in the evacuation cribs in the center of the room.

Evacuations

Any time an evacuation is necessitated, each classroom will follow the primary evacuation route that is posted in the classrooms located on the Emergency Evacuation Procedure map. If it is inaccessible, the classes will follow the secondary evacuation route. All teachers must carry their attendance records with them and remain in their designated space with their class until the Director checks the facility and gives clearance to return to the building.

Classroom & School Communication

Our school has a monthly newsletter, which includes a brief description of what's going on in the classrooms. This newsletter is put in each child's cubby. The newsletter is also published on our website.

Parent Information Boards are located in each classroom. This board contains both general and specific information. Please make a point to stop by and check the information board daily. This will help with the process of communication and connecting parents with the school and classroom. The board will also have a weekly lesson plan along with the school menu.

Suggestion Boxes

A suggestion box is at the reception desk. We welcome any and all suggestions or comments to better serve our clients.

Parent/Teacher Conference

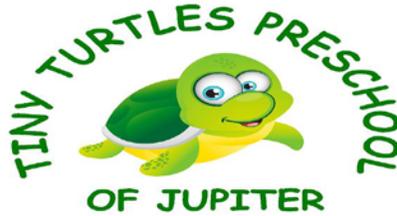

Lead Teachers at Tiny Turtles Preschool of Jupiter complete formal observations and assessments for each child. These observations and assessments are held 3 times a year (Fall, Winter and Spring). All parents are invited to participate in a parent/teacher conference to review these assessments with your child's teacher. These conferences will be held 3 times a year after school hours to make it convenient for both the parents and the teachers. Teachers may request a parent conference when there are special concerns in the classroom. We ask that parents respect this request with prompt attention during school hours.

Management Team Structure

Tiny Turtles Preschool of Jupiter has a Management Team to assist with communication and supervision at the school. These administrators are as follows: A Center Director, Assistant Director and Assistant or Administrator. Any one of the management team may assist you with questions or concerns about the center.

For problem solving at the classroom level we recommend the following four-step process:

1. First, bring any concern to the teacher.
2. Next, if you are not satisfied, speak to the assistant director or admin
3. If you still have a concern, request to speak to or schedule a meeting with the Center Director.

4. Last, if you still have a concern or a comment and the above staff has not been able to satisfy your concerns, please do not hesitate to contact Tim or Samantha McCoobery the owner directly via email at tinyturtlespreschoolofjupiter@gmail.com.

Parent/Teacher Communication

When you have a concern, please remember...

- Teachers want parents to be satisfied with the care their child is receiving.
- Talk to the teachers directly whenever possible.
- REALIZE that if you have a concern with a teacher, the Director will need to investigate and talk with the teacher about your concern in order to deal with the issue in a straightforward manner.
- Please give teachers a chance to correct minor issues.
- Sometimes we cannot make the changes you may request due to other restrictions, but we ALWAYS want to hear your suggestions.
- We promise to consider them serious and respond to you in a timely manner.
- If at any time a parent wishes to meet with their child's teacher to discuss issues that may arise, he/she can contact the teacher to schedule a meeting.
- We do ask that you schedule a conference with your child's teacher to discuss issues in depth, and not try to discuss them during drop-off and pick-up times.

Room Assignment

Placement of a child in a classroom is determined by age and developmental level and availability. We want your child to be placed where his/her needs are met and their interest challenged. While we do accept input from parents about room assignments, the center director and teachers will make the final decision based on what is best for the child, other children, teachers and the School.

Transition Procedures

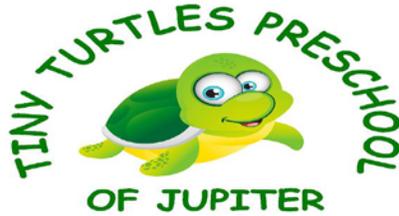

Parents will be notified in advance when their child will be transitioning to another classroom. A letter will be sent home stating what day the transition will begin. During this time, your child will visit the new room for a few hours a day. This will continue for a certain amount of time until your child has had time to warm up to the new environment.
