Deep Cleaning: Additional services for deep cleaning include hand wiping blind slats, baseboards and more detailed cleaning to get to a level we can maintain going forward. Vertical blind slats are fragile and we are not responsible for broken tabs due to dry rot in AZ. Many times, replacing slats is more cost effective than cleaning old, worn and faded slats. Wiping and/or washing walls must be scheduled in advance and will incur an additional hourly rate to the stated cleaning charge. We do not clean exterior windows and prefer to leave that to the window cleaning experts.

Rental / Office Cleaning: Separate services for vacation, rental and light office cleaning are tailored to your specific needs.
