

Dear Chipmunk Parents,

Welcome to July and the summer weather. This month we will discuss some summer as well as the 4th of July. As always we will go over our uppercase and lowercase letters from and the sounds each letter makes. We will work on our numbers as well and colors.

- Ms. Sandra
and Ms. Daulet

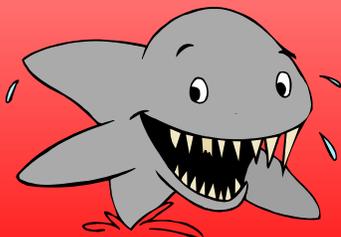

Tuition payments are due on time.

Any payments made after your due date will result in a late fee added to your current amount. All teachers have envelopes for payments so feel free to ask for one. Envelopes have to be handed to a teacher. Thank you!

Dear Shark Parents,

Preschool children learn best through play. Art activities are open ended to encourage creativity. We spread activities throughout the day to prevent the children from becoming bored and alternate active and calm activities. Last month we had so much fun at graduation discussing summer, safety & how important father is in our lives. In July we are looking forward to learning about the 4th of July, the beach, bugs and camping. The letters we will learn are U, R, V & O. For math we will practice counting from 1- 100, early additions, review all the shapes and learn sphere & cone. - Ms. Jaya

Happy 4th of July!

Hello Butterfly Families!

We are so excited to welcome the children who are moving up from the 3-year-old room and sad to say good-bye to those moving on to kindergarten.

This month, we will be learning about farm animals, babies, feelings, and Dr. Seuss.

Again, we are always looking for parent volunteers!

- Ms. Sarah and
Ms. Alex

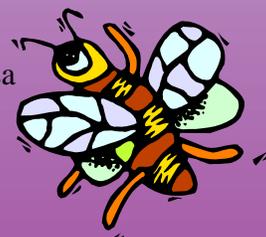

Hi Bumblebee parents!

We cannot believe June has left and July is now here. Ms. Stephane is glad to say she has enjoyed meeting the new Bumblebee children.

Free play is every Friday of each week, as well as a review of what has been taught during the week. During the month of July, one theme will be beach week, which will include a special event each day (wacky Wed., swimsuit day, etc). We will also have carnival week, insects week and summer flowers week! We will celebrate the 4th of July by making our American flags and create fireworks on construction paper! Our letters for the month will be C, F and I. We will continue to say our numbers and colors in both Spanish and English. Our motto still remains the same in the Bumblebee room

"Ready, Willing and Able to Explore!"

- Ms. Stephane
and Ms. Vanessa
