## BumbleBees 2 Year Olds

Fall is here which means; cooler weather, leaves changing colors, and lots of trick-or-treating! For the month of October, we will talk about fall, pumpkin patches and October creepy fun festivals! Our themes for the month will be; fall, leaves and pumpkins! Our letters will be F, L and P! We will be exploring outdoors so the children can see and have a more contextual feel of how the leaves are changing and many other interesting changes during fall. We kindly ask parents to please take a look in your children cubbies for warm change of clothing. The bumblebee class welcomes all of our new children and the journey they will accomplish to get them ready for pre-school! Here in the bumblebee class, we are ready willing and able to explore!

Ms. Stephane and Ms. Vanessa

## Chipmunks 3 Year Olds

Hello parents, fall has now arrived and what beautiful colors surround us. Our three year olds had fun getting to know each other last month. This month we will focus on our beautiful fall season and colors (brown, orange, green and red). Our letters this month will be L, P, and O. Halloween is also this month and we will have fun playing dress up and decorating pumpkins. If your child has a favorite book regarding fall or Halloween, they are welcome to bring it to share.

Ms. Sandra and Ms. Daulat

## Sharks

### 5 Year Olds

Dear parents, we have enjoyed summer at our best. Fall is here, the month of October will be filled with lots of fall activities; coloring, collecting & painting the fall leaves. We will dress-up for Halloween. We will continue learning new letters, numbers and shapes as well as learning to recognize and write own name. This is important in pre-K, so please continue helping your child practice writing their name. The weather is changing and we go outside twice a day to improve our gross motor skill, so please have your child bring a light jacket to school. Thank you so much! Happy October!

Ms. Jaya and Mr. Dan

## Butterflies 4 Year Olds

Dear Parents,

Happy October! This month, the four year olds are getting ready to explore many different topics including lower case letters, nocturnal animals, pumpkins, and spiders! On the final week of the month, we will review everything we've discussed and prepare for a new month. We have cleared our calendar for a fresh start that will serve as an incentive to practice more with counting, identifying the days of the week, and the months of the year. On Thursday, October 31<sup>st</sup>, our class will have a Halloween party/parade! Parents are welcomed to bring in healthy snacks/drinks for our party. Alternative treats (stickers, age appropriate toys, pencils, etc.) are allowed as well. No candy will be allowed this year. Toward the end of the month, I (Ms. Alex) will put up a sign up sheet for parents who would like to bring in healthy treats. Children are allowed to dress up in costume for our Halloween party and parade. If you do not wish for your child to participate in these activities, please let Mr. Erik or me know. Please remember to check for take-home-activity folders on Tuesdays and Thursdays. Because the weather is changing, please note the importance of filling your child's cubby box and providing a classroom sweater.

Thanks for your teamwork,

Ms. Alex & Mr. Erik
