Toddler Town Announces Family Fun Night

Toddler Town would like to connect to our families, and also help families connect on a regular basis. We are trying new fun events and activities that will bring families and toddler town closer. Our first steps to starting a bond will be family fun nights, and our toddler town family cook book. Family fun nights will consist of evenings with games, activities, shows, and crafts for families to participate in such as build a family mailbox night, science night, game night, movie night, dance off night, and many more. If you have any ideas for family fun nights we are all ears, just ask to speak with a teacher or Mr. Angelo.

family **FUN** night

Another activity that we would like to start will be our Toddler Town Cookbook. This will consist of different families favorite family recipes. We would love to learn about the different cultures that we have here at toddler town and why not first try it by tasting

it for ourselves. We will put together a huge recipe book with all cultures for everyone here to enjoy. Please don't be shy and submit your family favorite today. Last but not least please make sure to check out your child's cool profile on ABCmouse.com. We are trying to work together as a team with families on building your child's education abilities. With ABCmouse.com we can connect with you at home with activities we are doing here at school. Remember if you have any questions please feel free to ask your child's teacher as well as Mr. Angelo. We want this fun new way to learn to be as easy as can be, and for parents to stay involved with their child's learning experiences as much as possible. Get ready for new family fun events starting all parents, cant wait to see you all there.

- July 23rd -Family Fun Night 6pm to 7pm
- Please RSVP by Monday July 15th.

Ms. Stephane and Ms. Vanessa's Bumblebees Class 2-year-olds

R is For Rabbits

Summer is finally here and that means lots of sunny weather. For the month of June, the children had fun learning and recognizing their letters of the alphabet; for letter R the children made rabbits. Now that July is here and summer has begun, the children will have

lots of fun activities outside! Our theme for the month of July is "Summer Fun" Some of the activities are but not limited to, having a picnic, going to the beach, camping and other fun summer activities! Some of our art work will include, painting with ice cubes, jumping pud-

dles and walking on sandy paint to make art with our feet. Our letters for the month will be letter P and C. We will continue to work on our numbers and colors both in English and Spanish. Our motto remains in the bumblebee room Ready, Willing and Able to explore!

Ms. Sandra and Ms. Dault's Chipmunks Class 3-year-olds

Hello parents June went passed us so quickly. We want to say a special congratulations to our sharks classroom who had their graduation last month! Now here we are now welcom-

ing July. This month we will talk about the letter B and J, and celebrate 4th of July. We would like to thank the parents who have let their children bring books to share with their

classmates. If there are any ideas that you would like to share please feel free to speak to us. Until next month Thank you Mrs. Sandra & Mrs. Dault

Farm Animals

Ms. Alex, Ms. Tammie and Ms. Yoon's Butterflies Class 4-year-olds

Our Lemonade Stand

Happy July to all families! Last month we talked about zoo animals, lines, and summertime. This month, the Butterflies are ready to discover so many things. Summer has finally arrived, which means there will be many outdoor activities planned. In the first week, we will talk about America's birthday, and learn more

about our home on the globe. Following this theme, we will talk about desert locations, climate, and the animals that live in the desert. Next, we will talk about the Rainforest. July is a long month! On the final week of the month, we will review all that we've learned. We have a lot to do, and we are excited! Thanks to

all of those who participated in our lemonade stand! Our family at Toddler Town would like to wish everyone and their families a safe and fun filled 4th of July!

Thank you for your involvement, The Butterflies

Our lemonade stand turned out great!

Ms. Jaya and Mr. Dan's Sharks Class 5-year-olds

Hi all, practicing our songs and performing at graduation last month was so much fun. Thanks for all your support and encouragement! We have been learning about how Kindergarteners behave, pay attention, take turns, share, solve their own problems, tie shoes and show that they are ready to learn. Last month we have discussed about Frogs, Father, summer & Beach. We

spread activities throughout the day to prevent the children from becoming bored and alternate active and calm activities. Art activities are open ended to encourage creativity. Letters, Numbers, Colors and Shapes are taught through play. In July we are looking forward to learn about 4th of July, Safety, Zoo, Camping and Manners. The letters we will learn are J, M, Z

& O. For math we will practice counting by 10s, 5s and practice early additions; review all the 2D & 3D shapes we have learned before. We will continue improving our early reading skills with guessing game, clue game, rhyming words, sounding out the letters, reading books etc. Children will continue practicing writing their first and last names. Variety of art projects, games, and outdoor activities will accompany our learning.
