Toddler Town helps make a Difference!

November has fallen upon us. This month we have many different events taking place. The children of Toddler Town will be learning all about fall harvest and what it brings to our lives. Toddler Town would like to show our community what it means to give back as a school. The school will hold a donation drive where families can help out the less fortunate by bringing in a canned good.

Make a Donation!

We would like to show our students what it means to give to others and help our community out. You may also donate Winter coats or other winter clothing to the less fortunate. Every-

one can make a difference! This month is all about being Thankful and for expressing your gratitude. Another activity that you may partake in to help bring the family a little closer together this Holiday is some baking in the kitchen. The children love to help us out in the kitchen experimenting with new food and fun themed treats. Here is an activity that you may try on your own at home with your children. This is a fun way to create edible pumpkins out of a child's favorite treat. All you need is a rice crispy cereal box, marshmallows, a chocolate stick, food coloring and butter. Please enjoy this activity with your family, take pictures and show us how it goes. We can not wait to see what everyone comes up with. For the full recipe and instructions please visit the link provided below. It will help you step by step. Have a great November!!!

 - Update Contact Numbers- If number has changed or been disconnected.
 - Classroom transitions in effect

- Upcoming Events**
- November 11th-CLOSED (Veterans Day)
 - November 25th-(Picture Day)
 - November 27th-28th-CLOSED (Thanksgiving)

Ms. Stephane and Ms. Vanessa's Bumblebees Class 2-year-olds

Sparkle Pumpkins

For the month of November, we will be talking about giving thanks, family and sharing. We will learn about families giving thanks and sharing through various songs books and our creative projects. We will practice sharing through some of the activities that the teachers will

present to the children that provides the how, when and why we share. Some of our activities and art work are but not limited to; making a family tree, making a 3D turkey, and thankful collage for our bulletin board display. Our letters for the month will be letter S and F. We will

continue to work on our shapes, alphabets and colors. Here in the Bumblebee class our motto remains, "Ready Willing and Able to Explore." For the month of October, the children made many fun and festive projects one which they really enjoyed doing was the painting of their pumpkins.

Ms. Sandra and Ms. Daulat's Chipmunks Class 3-year-olds

Hello parents! We had such a fun and busy October. We discussed all our fall colors, had fun with pumpkins, enjoyed a

visit from the local fire department and had a blast at our costume parade! With the holidays approaching we have so

many fun learning opportunities waiting for us. As always if you have any ideas to share please come talk to us. See you next month!

Mrs. Sandra & Mrs. Daulat

Fire Department Visit

Ms. Alex, and Ms. Tammie's Butterflies Class 4-year-olds

Spider Drawing

Dear Families,
In the month of October, we enjoyed learning about apples, pretending to be nocturnal animals, learning about the insides of a pumpkin, and investigating the world of spiders. We also had our fun costume party and parade (thanks to all who contributed). As we watch

the calendar fill up with days and numbers, we must acknowledge that October is coming to an end and that we will soon be welcoming November. In the month of November, there is so much to discover and learn! We will talk more about numbers, community helpers, family, and Fall Harvest. Please be sure to fill up your child's cubby box with

warm and weather appropriate clothes because the weather is constantly changing. Also, please check your child's mailbox for take home paperwork or artwork. If you have any questions, comments, or concerns, feel free to speak directly with any one of the teachers. We look forward to a new month!

Thank you!

The Butterflies

Ms. Jaya and Mr. Shonn's Sharks Class 5-year-olds

Parents/Guardians
October was such a fun month with the changing of seasons and watching the changing of leaves, carving pumpkins and painting paper plate pumpkins. We were very excited walking through the neighborhood, feeling the change of weather, making fall leaves collages and finger painting the fall leaves.

Our special activity in October: A fire-fighter visited our school and talked to us about fire safety, demonstrated how we can 'stop, drop, and roll' in case of a fire and demonstrated wearing the fire fighter gear.
November brings just as much fun. The Sharks' weekly themes will include healthy eating, Turkey, Native Americans/Pilgrims, and Fall Har-

vest. Some activities will include Making Turkeys, identifying healthy vs. unhealthy foods, making Native American head-dresses, and sharing a Fall Harvest lunch together. We will be working on writing the numbers 1-10 and continue to work on our first and last names.

Happy Fall Harvest everyone!

Paper Plate Pumpkins
