

Toddler Town tips for spreading Holiday cheer in your homes.

'Tis the season to be Jolly! Toddler Town would like to help you spread some holiday cheer throughout your homes with some fun and easy cheerful tips. One idea that children always love to take part in is baking, one easy activity is to simply bake some holiday cookies, this helps families get closer together to work as a team. Another fun activity that all holiday lovers enjoy is decorating the house together including the beautiful Christmas tree. This helps children have a sense of responsibility and leadership especially when you assigned jobs. One activity that shows holiday spirit is donating toys or goods to those not as fortunate. For those who are on the go simply stating "Merry Christmas" or "Happy holidays" is enough to brighten someone's day. The easiest and maybe the best way to show spirit is to sing Christmas songs loud and clear for everyone to hear. These are some fun ways to help bring out the holiday in your own homes with your families. Please try to read a holiday story with your children and see what questions they have and maybe you can do an activity together pertaining to the book. Have a happy Holiday everyone stay safe and warm.

-Merry Wishes,
Toddler Town

Take Note

- Please check cubbies for current weather clothing.
- Update Contact Numbers- If number has changed or been disconnected.
- Classroom transitions in effect

Upcoming Events

- December 24th-25th and the 26th(CLOSED)
- December 31st-(CLOSED)

Manner Tree

Ms. Stephane and Ms. Vanessa's Bumblebees Class 2-year-olds

We are now in December last month of the year! Hope everyone had a great year! For the month of December, the children will have lots of fun doing winter activities. Some of our activities will be not limited to; making snowman, making the character Mr.

Clause, Reindeer crafts, foot-print Holiday tree. We will also talk about hibernation and last but not least our Pajama party at the end of the month. Letters we will talk about for the month of December will be letter C and letter P. We will continue to work on our colors numbers and

shapes. Here in the Bumblebee classroom we are Ready Willing and able to Explore! Last month the children had fun creating their Paper roll 3D turkey! They did a great job in creating their turkeys.

Ms. Sandra and Ms. Dault's Chipmunks Class 3-year-olds

Hello parents! November was so much fun, we talked about healthy eating, manners and more! December is now here and what fun we will have. This month we

will talk about different celebrations, the letters D, H and more! We will also have a fun winter celebration but more info will be given about that at a later time.

Parents, children always love to share so this month they are welcome to bring in their favorite holiday books so I can read it to them Happy holidays and well see you next year!

Sorting Food Groups

Ms. Alex, and Ms. Tammie's Butterflies Class 4-year-olds

Rainbow Turkey

'Tis the Holiday season in The Butterflies' classroom and we are buzzing with excitement! We hope that everyone enjoyed their thanksgiving. Last month, our class had fun talking about transportation, family/homes, and thanksgiving. This month, we will begin with studying shapes, community helpers, winter/holidays, and we will

end the month by introducing the New Year. Before the end of the month, our class will be having a holiday party and teachers will be posting a treat sheet for families who would like to contribute to our festivities. Parents are also welcomed to volunteer and participate in our holiday party. Bundle up! The winter season is

upon us, so make sure to send your child to school with mittens/gloves, hats, scarves, and boots with your child's names on them. Please let us know if you have any questions, comments, or concerns. Thank you!

Happy Holidays!
The Butterflies

Ms. Jaya and Mr. Shonn's Sharks Class 5-year-olds

Dear parents, we had a wonderful time learning about healthy food, our healthy snack drive for our Costume party/Birthdays was a huge success.

Last month we also talked about Turkey, Native Americans and Thanksgiving. Children had fun making native-American headbands, singing songs about Native Americans etc. We have introduced to children some new three dimensional shapes and we

will continue learning about more three dimensional shapes.

This is that time of the year again when we eagerly wait for family gathering, presents and lots of food.... mmmmm can't wait. This month we will dive in the ocean and learn about Ocean animal. We will also learn about Big and little, different Holidays and New Year. Children love to create their own art projects and we will continue doing that. We have started playing a new game

with the children recently- which is: someone will give a clue describing something that begins with the letter we are learning and others will have to guess what it is. Children are having a blast playing this new game. Parents can try playing this game with their child/ children at home to help develop children's thinking skill and problem solving skill.
