### **SHARKS: 5 YEAR OLDS:**

January was so much fun! We had a great time learning about the science behind winter and snow. Playing in and with the snow indoors/outdoors and painting snow was so much fun! We also learned about Martin Luther King Jr. and about his dream. Children promised to change the world for the better and were very enthusiastic to share their dreams for the future world.

In February we will learn about Hibernation, All about me, Presidents' Day and dental health. We will continue focusing on writing letters/numbers, addition and sounding out the letters. Children are enjoying when the teacher spells out their names while taking attendance.

If the weather permits (hopefully) we will try to go out to play; parents, please send your child with a warm jacket, snow pants, gloves, hat and boots. Our children don't want to miss the snow fun.☺

## ANNOUNCEMENTS

**"Where Your Child ALWAYS Comes First."**

## BUTTERFLIES: 4 YEAR OLDS:

The month of January has already gone by and we are ready for February. Last month, we celebrated the New Year with a healthy start by discussing topics like healthy living & nutrition, body parts, and friendship (in honor of Martin Luther King Jr. Day). In the month of February, we will talk about opposites, Valentine's Day, and teeth. Our final week will be used to review our lessons as well as letters 'O', 'V', and 'P'. As the days approach Valentine's Day, more information will be sent home regarding our Valentine's Day party. The weather has been frigid, so please remember to fill up your child's cubby with warm clothes. Thanks for your cooperation!

## CHIPMUNKS: 3 YEAR OLDS

Howdy All!

The month of January was chock full of excitement and adventure. We practiced Racing, learned about Arctic Animals, Focused on Phonics, and became familiar with Geometric Shapes. WE also gave focus to the letters A, E, W & M, as well as the colors Red, Blue, Yellow, and Green.

In February we will learn about Frogs, Swimming, One-to-one correspondence (aka How to Count), and Writing. We will give focus to the colors – Orange, White, Black, and Purple and the letters- Q, S, N, and B.

As always parents are welcome to stop in for a visit! Come play and learn something new!

## BUMBLEBEES: 2 YEAR OLDS

THE MONTH OF LOVE AND FRIENDSHIP IS HERE! I'm very excited to talk to the children about family and friendship. Children will be learning about different ways of caring for our friends, family, pets and even things. Also, part of being a good friend is sharing and caring. Children will be encouraged to share when they play and to care when a friend is sad, hurt or in a jam. January was an amazing month for our little Bumblebees; they have shown so much improvement in just one month, which makes me excited! For that reason, I will continue working on all the shapes, especially HEART and colors. We will also be focusing on letters C and D and counting up to ten. I WOULD ALSO LIKE TO THANK ALL OF MY FAMILIES FOR BRINING IN A FAMILY PHOTO; OUR BOARD IS FINALLY COMPLETE! p.s. Friday, 02/12/16 will be our Friendship party!
