

MARCH 2016

Toddler Town Daycare
 1501 W. Howard St.
 Evanston, IL 60602
 Phone: 847-475-1467 Fax: 847-475-5339
 Website: <http://toddlertownevanston.com/>

SHARKS: 5 YEAR OLDS:

Spring is coming! Having this light winter so far, brought us joy. The month of February was filled with fun activities including snow-fun, celebrations for Valentine's and President's day and learning about dental health.

March promises to be just as exciting. We will study the themes: Dr. Seuss, nutrition (March is national nutrition month), St. Patrick's Day, spring weather and Human anatomy. We will celebrate St. Patrick's Day and Dr. Seuss's birthday. We are excited to spend some time outside as the weather changes.

ANNOUNCEMENTS

“Where Your Child ALWAYS Comes First.”

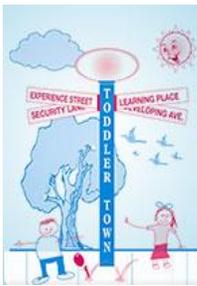

CLOSING DATES:

- Friday, March 25th:
Closed for Good Friday.
- To know if we are closed due to the weather, please refer to this website:

"Where Your Child Always Comes First"

BUTTERFLIES: 4 YEAR OLDS:

Hello parents and families! February has come and gone and now it is time to welcome March. At the beginning of February, we learned about opposites, feelings, Valentine's Day, and teeth. Thanks again to everyone who contributed to our Valentine's Day event- the children really enjoyed themselves. A fresh month start comes with fresh learning experiences. This month, we will talk about our five senses, brush up on classification skills/patterns, and outer space (Ms. Alex's favorite topic!). Our class will also be putting together a family book with recipes, songs, and family traditions to share. We look forward to learning about and celebrating diverse family cultures. Please remember that the weather is constantly changing and be sure to check your child's cubby for weather appropriate clothes.

CHIPMUNKS: 3 YEAR OLDS

Greetings All!

In the month of the February we learned about swimming, One-to-one correspondence, Writing, and Frogs. It was a pretty good month for learning about new and different things, or learning new ways to approach a subject. White, Purple, Orange and Black were the colors we gave some focus to, along with the letters Q, N, and B. S got overlooked, so it will make an appearance in March.

And so...in March we will focus in on the letters S, G, Y, and X, and the colors Brown, Pink, Silver, & Gold. Subjects of study will include Squirrels, Lines (They are everywhere), Snakes, and Golfing. That should be a hoot.

As always, Parents are welcome to stop in for visits and to volunteer!

BUMBLEBEES: 2 YEAR OLDS

Hello March! One of my Favorite Months! February was fun, we discussed friendship and Cars, the letters C and D and numbers 5 and 7. Thank you to all of my families that took their time to create a car with their child, I loved them and they did as well. Please expect more projects from me, it is very important to us that our families to stay involved. For March, we will be working with Dr. Seuss, we will be reading most of his books and doing activities related to his books. We will also be discussing clovers, eggs, patterns, the letters E and F and the numbers 8 and 9. Last and not least, this month we will be welcoming SPRING!!
