SHARKS: 5 YEAR OLDS:

We can already feel the warmth of the sun, see the bugs out, and oh the smell of Spring; just love it! It feels great to come out of Hibernation! We have learned so much about 'Weather', 'Big and Little', 'Earth/recycling' (made tons of art projects out of waste) and 'NAEYC's *Week of the Young Child*'. Our Field trip was a huge success. The children had so much fun at Kohl Children's Museum.

In May, we are looking forward to learning about Mother/Family, Transportation, Five Senses, and Butterflies. Graduation will take place soon.... that means it's time for us to prepare for our grand ceremony, fun, fun, fun! We will review counting down from 10-0, counting by 10s, 5s and practice early additions, and review the shapes we have already learned. We will continue improving our early reading skills with guessing games, clue games, rhyming games, sounding out letters, reading books, etc. A variety of art projects, games, and outdoor activities will accompany our learning. Parents are always welcome to bring theme related books to read to the children.

"Where Your Child Always Comes First"

BUTTERFLIES: 4 YEAR OLDS:

Hello parents!!!!

May has arrived as well as the beautiful weather. During this month, we will continue to finish our pet study until mid May. We will be creating our own pet store called Sonic Paw. We will need a lot of your participation. Please see teachers to find out how you can help our students.

After our pet study, we will start a plant study. In this study, students will learn everything about plants. How they grow? How they consume water and food? They will learn the parts of the plants and their functions. They will also be planting their own plant.

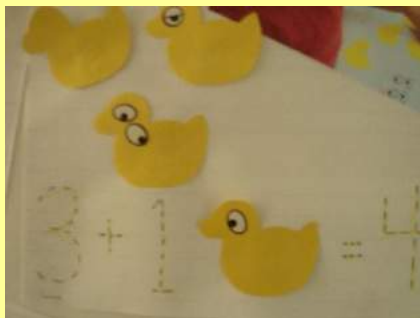

CHIPMUNKS: 3 YEAR OLDS

Greetings One and All!

In April, we learned How-To Add & Subtract, Tracing, Focused on the Letter G, and Physical Development in which there was a lot of large motor control activities.

In May, we will cover the Wonderful World of Sound, Electricity, Speed, and Kangaroos. Because Kangaroos are kool.

Parents are always welcome in our class. Come roll up your sleeves and get kiddy with us!

BUMBLEBEES: 2 YEAR OLDS

May is finally here! Hopefully the nice weather stays with us for a while. April was very fun! We talked about Spring, earth day, eggs, rabbits, ducks, frogs, and celebrated the *Week of the Young Child*. The best part of April was being able to go on a field trip to the Kohl Children's Museum; it was so fun! THANKS TO ALL THE CHAPERONES WHO HELPED US DURING OUR FIELD TRIP.

In May, we will be discussing Pets, Flowers, Birds, Turtles and Transportation. Along with transportation, we will be discussing community workers, so if you can please bring your child dressed as their favorite community worker on Friday June 2, 2017, I would greatly appreciate it. During the month of May, the children will be learning lots of math and scientific skills, along with working on their social and motor skills.

Are you Ready for the Winter Weather?

1. We understand that the weather can be unpredictable, therefore, we want everyone to be SAFE! Remember to give yourself enough time to arrive at the daycare both at pick up and drop off times. To learn what the roads and weather will be for your day–
