¡HABLA LEE CANTA!

HABLA

Su tacto y voz ayudan al bebé a aprender. Escucha los divertidos sonidos que hace su bebé y repítalos. Cuando sonría, devuélvale la sonrisa. Su toque de amor combinado con este "lenguaje de bebé" recíproco son los primeros pasos para hablar.

LEE

FORTALECE EL CEREBRO DE SU BEBÉ.

Léale un libro o cuéntale una historia a su bebé todos los días desde su nacimiento.

CANTA

El sonido de tu voz es reconfortante para su bebe. A su bebe le encanta oír su voz, incluso si usted piensa que no sabe cantar.
