KOALAS: 5 YEAR OLDS

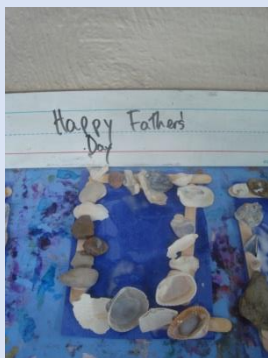

Hello Families!

June was a wonderful month, full of hard work and lots of practice for our graduates. The children practiced every day until the big day was upon us! We want to thank Mr. Robert and the Teachers who helped us out with our graduation show! Now we can finally begin our summer adventures! In the month of July, we will be kicking off our summer lesson plans! During the month, we will be learning about America, camping, music, and art! Parents of the Graduating class of 2017: If you need any important documents for your child's future school, please let us know.

THE BEARS

Happy 4th of July! I can't believe July is already upon us! To recap the month of June, we began our themes on positions and opposites by discussing the positions of on/off and inside and outside through games and projects. We also discussed the season of Summer and what happens in the Summer. We enjoyed fishing and making a fruit salad with fruit from the dramatic play area and creating art using natural materials such as seashells, sand and rocks. We also made our Father's Day presents. Outdoors, we enjoyed water play on warm days. For the month of July, we will continue discussing our opposites & positions by reviewing short/long, back/front and top/bottom. We will also enjoy outdoor activities such as water and sand play. It will be a great month! We're closed on July 4th. Please accept Life Cubby invite

THE EXPLORERS: 4 YEAR OLDS

Dear Parents: For the Month of June, we discovered the themes: Camping, Frogs and Father's Day. We used

technology in the classroom to increase the children's interest by using tablets and the computer. I want to say, "Thank you to all my Parents, because you helped us with our 3rd annual Camping Day." Finally, The Explorers would like to say "Congratulations" to the Koalas on their Graduation. We wish you the best on your new journey."

For the month of July, the Explorers classroom would like to invite you to our 3rd annual Picnic Day. Date to be determined. Please be on the lookout for this information. So, we will need your help for this activity. The themes for the month of July will be 4th of July and our five senses. Remember to take your child's blankets home on Friday and bring it back on Monday as we wash sheets during the week and send bedding home to be washed. Please remember that July 4th we will be closed in observance of Independence Day. Thank you. Please accept Life Cubby invitation ☺☺☺

BUMBLEBEES: 4 YEAR OLDS

Hello Summer! In the month of June, we talked about the season Summer, bugs and flowers. We engaged in lots of projects where we were able to get messy. We celebrated Father's Day and made some nice things for our Fathers to show our appreciation. The Bumblebee's also became mad scientists while pretending to work in a lab. In the month of July, we will focus on Independence Day, butterflies and water.

We will also be working on letters and numbers every week. Also, we will be working on spelling our first names and learning our birthdays every day in class so parents please pay close attention to the progress of your child. I will be informing you on upcoming projects in our class. Finally, parents please check cubbies for daily art work and news. No homework will be given out for the summer, we do lots of

arts and crafts during this time. Don't forget to update clothing in cubbies. Please accept Life Cubby invite

BUTTERFLIES: 3 YEAR OLDS

Bye Bye Spring and welcome Summer!!! June was a great month for the Butterflies. We talked

about flowers, plants, and gardening. I would like to thank all the parents for the flowers they brought to make our Butterfly garden possible. The garden is outside on the playground. The children are very happy and they are taking good care of our garden. The children really enjoyed planting their seeds, The Butterflies also had the opportunity to plant while working on their Father's Day project. For the month of July, the Butterflies will learn about Ocean animals. Some information that the children will learn about is where they live and what they eat. Sand table, water table, manipulative toys, blocks and puzzles are some of the stations that are open throughout the day for the children. The butterflies also will learn about Independence Day and the children will do some projects for 4th of July. It will be a great month. If you have any question or concerns you can contact me by email at calderoncintya0915@gmail.com Thank you.

TOUCANS: 2 YEAR OLDS

This is a bittersweet newsletter because on June 30th we had to say good bye to our beloved Miss Maria who is on the move to bigger and better things in a life in Rockford, Il. We will miss her, but wish her all the best. The children are in progress now making their summer camp shirts "Camp Wild Things". This July we

will wind up our insect unit and paddle right into Under the Sea! We will also welcome Miss Areli the new Toucan teacher to our funny antics and wild adventures! We will have a 4th of July celebration with all things RED, WHITE and BLUE!! We will wave our flags and don patriotic colors of the USA and have a fun parade on July 3rd. Remember no school on the 4th. Summer heat will bring outdoor water activity and cool indoor fun. Enjoy your time with your families this summer. BE SAFE.

Are you Ready for the Summer?

TODDLER TOWN DAYCARE TOO HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.

Remember, if you would like to celebrate with your child's birthday at school please, **Bring In Really Tasty Healthy Delicious Appetizing Yummy Snacks!**
