SHARKS: 5 YEAR OLDS:

Hi all, practicing pre-k graduation songs and participating in Graduation was so much fun. Thanks for all your support and encouragement! We have been learning about Kindergarten; how Kindergarteners behave, pay attention, take turns, share, solve their problems, tie shoes and show that they are ready to learn. Last month we discussed about Frogs, Farm animals, Summer & Beach. In July we are looking forward to learn about Independence day, kindergarten, Safety, Zoo and Camping. Children are having fun with blends, vowels and consonants. For math we will practice counting by 10s, 5s and practice early additions; review all the 2D & 3D shapes we have learned before. We will continue improving our early reading skills with guessing game, clue game, rhyming words, sounding out the letters, reading books etc. Children will continue practicing writing their first and last names. Variety of art projects, games, and outdoor activities will accompany our learning.

Howdy, All!

In the month of JUNE, we explored Insects, Dinosaurs, Avians, and Numbers...It was a mostly Living Creature Month.

Upcoming in JULY, we have a very new class that we are building a foundation with. We will be focusing on the concepts of Quantifying Numbers, Letter Sounds & Syllables, Mixing Colors, and Reptiles...it's a low Living Creature Month.

Parents! We Love Ya! Come on in and get kiddy with us!

Please remember to accept our Life Cubby Invitation.

BUMBLEBEES: 2 YEAR OLDS

SUMMER IS HERE, SO THE FUN HAS BEGUN. JULY WILL BE FULL OF LEARNING SUMMER ACTIVITIES AND FUN. For the month of June, children learned about shapes and colors. Children are now able to name the colors and shapes as well as describe them. Children can now tell you if an item is round

or pointy and if it has side or no sides, we will continue to talk about shapes and colors, but it won't be our main focus. Our main focus for the month of July will be recognizing, identifying, quantifying and connecting numerals with their quantities. Along with that, the children will have picnics, bubble fun, a lemonade stand and they will be able to plant a bean and watch their plants grow as they take care of them. Please remember to accept LIFE CUBBY invitation to view your child's progress
