SHARKS: 5 YEAR OLDS:

Hola! Hope you all are enjoying summer so far, it was really fun to go on camping in the classroom and outside in our play-ground and talking about Kindergarten, last month we have also learned about safety, each child made their own safety sign and learned the facts of Independence Day we also talked about using manners every day.

In August we are looking forward to learn about Ocean animals, Hand washing, Zoo animals and Feelings. For math we will practice counting by 10s and 5s; review all the 2D and 3D shapes we have learned before. We will continue improving our early reading skills with guessing game, clue game, rhyming words, Opposites, sounding out the letters, reading books etc. Children will continue practicing writing their names. Variety of art projects, games, graph and outdoor activities will accompany our learning.

We usually avoid outdoor activities in extreme weather conditions (hot/cold/rain/snow/storm/thunder), which we compensate with indoor exercises/dance/yoga.

ANNOUNCEMENTS

“Where Your Child ALWAYS Comes First.”

If you have not accepted our Life Cubby Request. Please do so ASAP so you can view and stay informed with your child’s progress during their attendance at Toddler Town.

REMINDERS:

- Notify the daycare if your child is ill with a contagious illness immediately so that we can do our part at the daycare.
- If your child will no longer be attending TTDC, as mentioned in the enrollment application that you signed, you must give the director a 2 week advance notice to avoid a \$300 fee.
- **Update your contact numbers.**
- Wash your child’s hands upon arrival.
- **Tuition Payments need to be made on time or your child will not be able to stay in school.**
- Please look out for emails from Life Cubby our new curriculum tool.

BUTTERFLIES: 4 YEAR OLDS

Hello parents!!!! August is finally here and Mrs. Maritza should be joining us very soon! This month we will be enjoying and learning about SUMMER. What activities can we do in the summer? What is the weather like? What clothes do you wear in

the summer? How can we stay safe from the sun and what summer activities can we do?

We will also learn about farms and farm animals! We will learn what kind of animals live on the farm? Why certain animals cannot live on a farm. If you have any books that

you will like the class to borrow, please don't hesitate. Thank you!

CHIPMUNKS:3 YEAR OLDS

Howdy All! We have some cool things coming up in the month of August, but first let's cover what we learned in July. In the month of July, we focused on Alligators and Bears, as well as Trains & Trucks, Quantifying Numbers, and Letter Sounds.

In August, there will be attention given to Sharks, Addition, Tracing, and Racing. As always, we will have a new shape, color, number, and letter of the week to discover, as well as any peripheral that apply to our subject matter.

Parents are always welcome in our classroom, come by for a visit or roll up your sleeves and have some fun.

Slowly, Mr. Alligator, quiet as can be...

BUMBLEBEES: 2 YEAR OLDS

Wow, July is over and now we welcome August. During the month of July, children practiced their skills with Numbers; recognizing,

identifying, quantifying and connecting numerals with their quantities. For August, we will continue with identifying numerals, counting, and quantifying, but the best part about August will be our Project on **worms**. Children will learn all about worms and will also be able to experience looking and touching real worms that we will have in our classroom. Please be sure to check Life Cubby Daily, and if you have any questions, you are more than welcome to ask me in person, through the phone or on Life Cubby. HAPPY AUGUST EVERYONE!

HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.

Remember, if you would like to celebrate with your child's birthday at school please, **Bring In Really Tasty Healthy Delicious Appetizing Yummy Snacks!**
