SHARKS: 5 YEAR OLDS:

Dear parents, we have enjoyed summer at our best; went to the nearest park, took nature walks, enjoyed learning about Labor Day, ourselves, each other's interests, family and about our five senses.

Fall is here, the month of October will be filled with lots of fall activities; coloring, collecting & painting the fall leaves. Learning about pumpkins, bats and spiders will be spooky and fun. We will dress-up for Dress-up party on October 31st Tuesday. We will learn letters, numbers and shapes. Learning to recognize and writing our own name is important in pre-K, so please help your child practice writing their own name. The weather is changing and we go outside twice a day to improve our gross motor skills, so please have your child bring a light jacket to school. Thank you so much! Happy October Jaya

BUTTERFLIES: 4 YEAR OLDS

Hello Parents!

During this month, our students will still be learning about emotions and feelings. We will also discuss the classroom expectations as well as self-hygiene such as bathroom manners and proper handwashing. At the end of the month, we will jump into our fall activities. We will have a lot of science projects with pumpkins. We will also include math and food experiences into our lesson plans.

Don't forget to see the teachers about this month's family project. Also, in our last week of October we will have a fun event week for the students. Stay on the lookout as we will provide a letter with more information coming soon.

October 31st- Halloween Party

CHIPMUNKS:3 YEAR OLDS

Dear parents, we have enjoyed summer at our best; in the month of September we talked about Ducks and their natural habitat. We learned what they love to eat, where they live, and how cool and important their webbed feet are to be able to swim. We counted ducks, we sorted different types of ducks, we waddled like ducks, we mimicked ducks sounds, we did it all! We sure had loads of fun with our Duck theme and added new vocabulary words to our word wall. We briefly introduced the changes that we would see in the upcoming Fall season and how the trees would start to change colors.

October is now here, the month of October will be filled with lots of activities: coloring, collecting, and painting fall leaves. We will briefly talk about Christopher Columbus for Columbus Day. We will have lots of fun topics this month like pumpkins, bats, spiders and spooky fun. We will dress-up for our party on October 31st, we will pass out a handout with more information later on. We will continue learning new letters, numbers, shapes, and new vocabulary words each week.

BUMBLEBEES: 2 YEAR OLDS

I'm Excited for October, I hope everyone else is too! September, the children learned a lot about themselves and their body, feelings and emotions, Autumn/fall and family. Our main focus for September was RULES AND ROUTINE. We will continue to focus on that for the month of October, building relationships with the children, teach them how to solve problems and how to play together, all while following the rules and routines of the classroom. Along with that, children will be leaning about Trees, Fire Safety, School Bus and Pedestrian Safety, October fun and Pumpkins. I also want to remind all families that it's important to drop your child off to the teacher, not at the door and say hello to the teachers. When your child is turned in to us, they must have their hands washed and jackets or sweaters removed. Also, at pick up, make sure you check their cubbies and mailbox and have your child say "BYE" "See you later" "Adios" "Toodles", have them say **something**, since we are teaching them verbal and social skills. THANKS!

Are you Ready for the Weather?

1. We understand that the weather can be unpredictable; therefore, we want everyone to be **SAFE!** Remember to give yourself enough time to arrive at the daycare both at pick up and drop off times. To learn what the roads and weather will be for your day–

TODDLER TOWN DAYCARE TOO

HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.

Remember, if you would like to celebrate with your child's birthday at school please, **Bring In Really Tasty Healthy Delicious Appetizing Yummy Snacks!**
