Where Your Child
Always Comes First

KOALAS (5 Year Olds)

February has gone by in a blink of an eye! But we had a wonderful month of learning! We learned new words like play, see and big. We studied famous African Americans who have impacted our history. Finally, we learned how to love and respect our friends.

For the month of March, we will be changing subjects. We will be transitioning from words to numbers. We will be learning how to conduct different math equations and we will be studying all things science.

Parents: Please sign up for a parent/teacher conference that will be conducted from Monday March 4 until Friday March 15. Also, we will be starting practice for our 2019 graduation ceremony. Please be sure to let me know if your child will be graduating this year or next year.

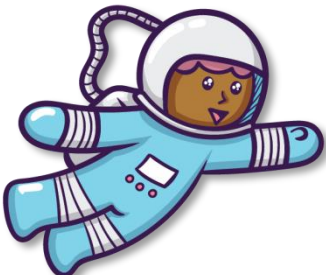

THE BEARS (4-5 Year Olds)

Happy Spring! I can't believe spring is already upon us! To recap the month of February, we discussed quilts, the color red and shapes, and celebrated Valentine's day with a party. We also made our own quilts, played with red foam and painted with different shapes to make a collage. We also reviewed our numbers 18-20. For the month of March, we will continued to review our alphabet by discussing the topics of transportation, umbrellas and vegetables. We will also celebrate spring by planting spring flowers and our own vegetables and watch them grow. We will also be having parent teacher conferences. This will be posted at a later date. It should be a fun month!

Ms. Taga

THE EXPLORERS (3-4 Year Olds)

February was a great month for the explorers, they were able to learn and understand the meaning of friendship. We celebrated Valentine's day and the kids had the opportunity to share their treats with their friends. The children continue learning to recognize and write letters of the alphabet. We also, reviewed their bilingual lessons in Spanish, such as colors, numbers and days of the week using different types of learning.

For the month of March, we will talk about Saint Patrick's Day and talk about Dr. Seuss. Parents, please utilize your child's clear bags for their coats and/or home toys. Finally, we recommend that you put your child's name or initials on their belongings to prevent things from going missing. If you have any question, feel free to contact me at 773-622-9433 Ext. 25 or msscintya@gmail.com

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

February was a month filled with love & fun activities. I will like to thank all the Parents that made the valentines party possible. The children had a great month with their recognition and writing abilities. We will continue working on our alphabet and working with our new vocabulary words. Starting in March of 2019, I would like to welcome our new kids who have been in transition to join our Bumblebee classroom. It is our goal to make sure all kids feel at home, have a safe and supportive environment where they can learn and become successful. We are looking forward to working with you. Please feel free to guide us with any information to use that you may feel will help benefit your child. If you have any questions or concerns, please feel free to give us a call. Please remember to sign up for parent teacher conferences that will start in the middle of March.

BUTTERFLIES (3 Year Olds)

Hello March and hello spring time! Pretty soon we are finally going to have some perfect weather to enjoy the outdoors. The butterfly classroom will be discussing outside rules for the spring, discussing more about the life cycle of animals, insects and plants. Also, in March we will be discussing more about plant growth together and plant some flowers to see the process on how plants start off as seeds and grow into something beautiful. Parents please remember that parent conferences are near please don't forget to sign up. If you have any questions or concern's feel free to call (773) 622-9433 Ext. 23. Email: sosa.yvonne@yahoo.com

TOUCANS (2 Year Olds)

Goodbye February hello March! In the month of March, the toucan classroom will be learning about shapes (Circle, triangle, square, star and heart). The children will develop fine motor skills by tracing shapes using an erasable marker and flashcards, they will also be trying to make a shape using Geoboard and rubber bands and other fun activities to help them learn shapes. We will also be introducing manners to the children such as saying, "please and thank you". The toucans will be celebrating St. Patrick's Day which will include a day full of fun activities. Please remember to sign up for parent teacher conferences that will start in the middle of the month of March.
