Where Your Child
Always Comes First

SHARKS (5 Year Olds)

Hooray, Spring is coming! We all are already getting tired of this cold cold weather ☹️

The month of February was filled with fun activities including celebrations for Valentine's/Dental health/winter animals, President's day and Dr. Seuss.

March promises to be just as exciting. We will continue learning about Dr. Seuss (Dr. Seuss's birthday is in March), we will write and illustrate our own books, we will study nutrition (March is national nutrition month) and will also learn about spring weather. We will celebrate St. Patrick's Day. Parents remember to sign up for parent teacher conferences as they will start in the middle of MARCH. Sign up sheet is in the classroom 😊😊😊

BUTTERFLIES (4 Year Olds)

Hello parents and welcome to SPRING 2019 which begins on March 20th. The month of MARCH will be an exciting month, In celebration of Dr. Seuss, we will introduce patterns, classifying and rhyming words due to the famous DR. Seuss and his famous birthday. We encourage all families to bring in any Dr. Seuss books this month as we focus on rhymes and famous stories. We will start the month of with CAT IN THE HAT and end with a birthday extravaganza on March 29th. Door is always open for parent volunteers so come on in and join the party. Please sign up for parent teacher conferences that will be throughout the month of March. If you can't make a conference we can always have a conference over the phone or via facetime. We will have a sign up sheet for parent's to come in and read a Dr. Seuss story to the children. Thank you all in advance for all your hard work.

Where Your Child
Always Comes First

CHIPMUNKS (3 Year Olds)

In the Month of March, the Chipmunks room will sure feel the luck with awesome themes ahead. We will focus on learning about Traffic Signs, Teeth, Season of Spring and Dr. Seuss. We are focusing on letters I, J and K. Numbers 10, 11 and 12. In celebration of Dr. Seuss, we will introduce patterns, classifying and rhyming words. Please remember that parent teacher conferences are this month and to make sure to sign up and meet with me so that I can let you know the progress your child has made thus far. Spring starts on March 20th and we can't wait to enjoy the warm weather.

BUMBLEBEES (2 Year Olds)

Welcome to the month of March everyone. For the short month of February, children had fun learning about their shapes and colors, friendship, counting, teeth and Dr. Seuss. Two things I like about March: DAYLIGHT SAVINGS TIME BEGINS, Sunday, March 10, 2019, AND SPRING BEGINS, Wednesday, March 20! Children will discuss the color green, since they will begin to see a lot more green. We will also discuss the types of things they see WHEN THE SUN IS OUT, and the types of activities they can enjoy, since we will now have more sun time! Finally, we will be going into Spring and all the fun things that come with spring. My focus this month is going to be communication. Children must have more conversations with both adults and children to extend their vocabulary and get them to become more confident about using their words. I am willing on checking out my own books, as long as I know that my students are being read to, not only at school but at home as well. Please come See Me, Ms. Norma, if you want to check out one of my books, or if you need ideas on what to talk to your child about. THANKS IN ADVANCE!
