KOALAS: 5 YEAR OLDS

Hello Koalas Families! We had such a fun month of learning! We learned some new words and letters, we studied the emotion of love and we were introduced to so many famous men and women during Black History Month. The children completed a great project to show off their uniqueness to the school. They drew a picture of themselves and the great qualities they have. For the month of March, we have some amazing topics to learn! We will be studying all things math and science. We will be exploring science experiments, studying weather patterns, practicing writing numbers and exploring addition problems. Parents: The weather will be changing soon. Please make sure your child's cubbie is updated with the proper clothes for the seasons.

THE BEARS 4-5 YEAR OLDS

Happy Spring, everyone! February has flown by so fast! To recap the month of February, we continued with our alphabet by discussing the colors purple and red, discussing quilts and making our own, and celebrating who we love by having a Valentine's Day party. We also continued reviewing our numbers by counting from 18-20 using different types of manipulatives. For the month of March, we will continue reviewing our alphabet by discussing the topics of shapes, transportation and umbrellas. We will also be discussing spring and planting our spring flowers. We will be spending more time outdoors--weather permitting and enjoying the change in seasons. In our media table, we will enjoy playing with dirt and bugs. We will also be having conferences the first full week of March. It should be a great month!

TODDLER TOWN DAYCARE TOO HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.

Remember, if you would like to celebrate with your child's birthday at school please, **Bring In Really Tasty Healthy Delicious Appetizing Yummy Snacks!**
