Our class had a wonderful month of learning and fun! The 2018 graduates did a wonderful job with their performance and we are so proud of all their hard work throughout their years at Toddler Town Daycare TOO! Great Job Class of 2018! Along with our graduation, we reviewed math problems and talked about all the fun activities that could be done in the summer time. In the month of July we will have plenty of summer fun and learn new subjects. We will be studying other countries around the world, we will be exploring the great states of America and we will be taking an adventuring into camping. Parents: I will be scheduling parent/teacher conferences for the first two weeks in July. We will be reviewing your child's report card as well as future endeavors. Happy summer, everyone! To recap the month of June, we began our opposites and positions by reviewing on/off, inside /outside, and short/long. We also held our parent-teacher conferences as well as discussed summer. The graduates also graduated!!! We enjoyed the warmer weather by making our summer projects. For the month of July, we will continue discussing the opposites and positions of back/front, top/bottom, up/down and under/over, and celebrate the 4th of July. ## THE EXPLORERS: 3-4 YEAR OLDS

What a jumping month of June it has been! The Explorers Classroom jumped into the tree of letters: Chicka Chicka Boom Boom. Recognizing and writing letters was so much fun.

Learning about different animals in the circus was even more fun along with the cool games we played relative to our theme.

The children also did some cool art projects that are displayed around the classroom.

During the month of July these are some of the things your child will be learning: Independence Day, the summer season, writing our first and last name, learning the spelling of our name, and recognizing and remembering different letters. We will also be talking about of Sea animals. We will even be learning to clean up after ourselves and putting things away correctly. **Lincoln Park Zoo Friday July 13th**

June was so much fun as we worked on summer art projects, enjoyed fun science projects, and focused on the letters S and T along with projects related to those letters. The Children were also writing their first names. We also talked about dads and created Father's Day gifts for our fathers. We even enjoyed more of the outdoors due to the nice Chicago weather. We also welcomed a few new friends to our class! July will be so much fun as we will enter the month with a fun 4<sup>th</sup> of July Independence Day party! In doing so, we ask that you please dress your child in red or blue colors. Also for July we will continue to focus on the first letter in our names, tracing our names, being more independent and using our words and manners. We will also discuss aquatic animals accompanied by fun art projects. Transitions will also be happening. Don't forget: Put sunscreen on your child before coming to school, update your child's cubby with appropriate summer attire, and that we are closed Monday, July 4<sup>th</sup> for Independence Day.

## TODDLER TOWN DAYCARE TOO HEALTHY FOOD POLICY

Dear Parent/Guardian,

At Toddler Town Daycare, we love celebrating birthdays, holidays, and special occasions. We also want to ensure we are teaching the children life-long healthy eating habits. This is why **beginning January 1st, 2013, we will only be allowing parents/guardians to bring in healthy snacks during these special times.**

**We will no longer allow foods such as cupcakes, cakes, doughnuts, or candy to be brought in during birthdays or holidays. Instead, we encourage you to explore healthier options to share with the class and save the sugary foods to eat at home. The teachers will also stop giving out candy as rewards and will instead give out prizes like art supplies, books, chalk, bubbles, and other items to expand your child's mind.**

You are welcome to send healthy treats or goody bags to share with classmates. Please let the teachers know in advance that you will be bringing a treat to class and the teachers will arrange to distribute the treats or goody bags to the children after naptime or at dismissal.

All healthy food items must arrive unopened as packaged by the manufacturer or it will not be accepted. Homemade treats are not permitted by the Illinois Health Department. And as always, no nuts are allowed.
