Always Comes First

ANNOUNCEMENTS

Here's What We've Been Up To

We want to say Congratulations to the class of 2018. The children did a great job and it was a very special graduation for Mr. Angelo !!! Congratulations on your 20th graduating class sir. Thank you for all you do for the children and parents in the community.

Please see your child's teacher for report cards.

All 4 year old parents please see Mr. Angelo, Ms. Maritza or Ms. Jasmin to fill out a brief questionnaire. This is very important for the upcoming school year.

Make sure your child's cubby has the appropriate clothing for the awesome and unpredictable Chicago/Evanston weather.

Possible field trip 1st week of August. We will keep you posted. Any questions see Mrs. Maritza

Make sure your tuition payments are made on time to avoid late fees.

Congratulations

Congratulations to Mr. Angelo and Toddler Town students on the 20th Graduating Class. Congrats to Ms. Jaya, Mrs. Maritza and Ms. Jasmin on a job well done this year along with our entire staff.

MORE INFO!

- * 4 year old students
See Mr. Angelo, Mrs. Maritza or Ms. Jasmin for questionnaire.
- * Field trip in August
- * See your child's teacher for report cards and please update cubbies.

Where Your Child
Always Comes First

SHARKS (5 Year Olds)

Hi all, practicing pre-k graduation songs and participating in Graduation was so much fun. Thanks for all your support and encouragement! We have been learning about Kindergarten; how Kindergarteners behave, pay attention, take turns, share, solve their problems, tie shoes and show that they are ready to learn. Last month we discussed Frogs and Butterflies. In July we are looking forward to learn about Independence day, kindergarten, Safety, Zoo and Camping. Children are having fun with blends, vowels and consonants. For math we will practice counting by 10s, 5s and practice early additions; review all the 2D & 3D shapes we have learned in the past. We will continue improving our early reading skills with guessing game, clue game, rhyming words, sounding out the letters, reading books etc. Children will continue practicing writing their first and last names. Variety of art projects, games and outdoor activities will accompany our learning

BUTTERFLIES (4 Year Olds)

Congratulations to our class of 2018!!!

In our month of July we will celebrate our fourth of July! After we will dive into our plant study! Students will learn everything about plants and their life cycle as well as plant and care for their own plant!!!

Parents please keep in mind that the weather is heating up, please dress your child appropriately. No open toes or flip flops are recommended especially when going outside to the playground!

Parents you are more than welcome to bring popsicles or freeze sticks so our students can enjoy in this summer weather!

Where Your Child Always Comes First

CHIPMUNKS (3 Year Olds)

Well hello July! This exciting month we will start by celebrating the 4th of July with our chipmunks, if weather permits we will have walks in the park and have a discussion on what this holiday is all about. During the month of July, we will be focusing on name, letter and number recognition 1-20. Our topics for this month are Summer, Camping, Beach, Ocean Animals and Community Helpers.

Let's have an awesome Summer!

BUMBLEBEES (2 Year Olds)

Hello All! Welcome to Summer and the Month of July! During the month of June Children had lots of fun learning about caterpillars and butterflies and experiencing the life cycle hands on. Children watched the caterpillars grow from a tiny little caterpillar, to a big fat caterpillar then turning into a chrysalis and finally becoming butterflies. The children finally said Goodbye to them and they were very excited to watch them Go! In the mist of learning about plants and butterflies, children began to point out all the transportation they would see, which led to our next theme, Transportation! Children had so much fun talking about transportation, they experienced learning about a landscaper's dump truck and were able to get on a transportable lawn mower, thanks to Delylah's father and his coworker. Finally, children welcomed Summer, children had lots of fun talking about the different activities we can do during the summer, how to dress, the best things to eat and, safety tips, how to keep cool and how to stay Hydrated! For the month of July children will be discussing Beach, picnic, Bubbles, water, soil and mud and WORMS, my favorite! Children will be able to experience worms hands on. If the weather Permits us, we will be having a picnic on July 13th, 2018, please look out for further information. Thank You!
