Here's What We've Been Up To

Hello all and happy October, Please stay on the look out for updates through LIFE CUBBY App/site as well as your child's teacher where you will find information regarding lesson plans, newsletters, updates and any information regarding your child's growth and development. Make Sure you let Mr. Robert know in writing if your child will not be returning for the upcoming school year this fall and or continuing throughout the FALL.

2 weeks notice is needed in writing to avoid \$300 cancellation fee.

REMINDERS !!!

Toddler Town will be closed on Monday October 8th in observance of Columbus Day.

October 23rd and 24th Child Find Screeners will be screening the children through CPS. This is a FREE screening for all children that are not already in a CPS program. TTDC only needs you to fill out authorization forms that were passed out. See Mr. Robert or your child's teacher if you have any questions.

and cell providers and please update

Your Childs Cubby as our city changes weather daily !!!

Please see your child's teacher if you have any questions ☺☺☺

Again, PLEASE check your child's LIFE CUBBY account to view assessments and documentations of your child ☺☺☺

Where Your Child
Always Comes First

KOALAS (5 Year Olds)

Happy October Families!

The Koalas class had a great first month back at school! During the month of September we learned about; the classroom, our friends, and the letters A-F. Our best project was our All About Me Posters! The children did a great job creating them. What a wonderful start to our school year! For the month of October, we will be learning about all kinds of fun themes. We will be studying leaves and Fall, the letters G-O and we will be celebrating our Fall Fest at the end of the month. Along with these themes, we will be creating fun projects like designing our own pumpkins. Parents: As our season is changing, we do ask that you update your child's cubbie with the appropriate clothes for the weather.

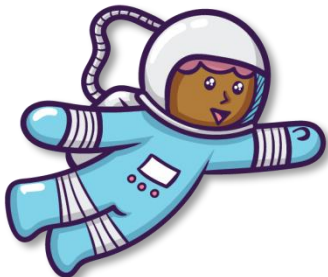

If you have any questions or concerns you can either contact me via phone (773) 622-9433 ext. 27 or email koalaclass05@gmail.com.

THE BEARS (4-5 Year Olds)

Happy October, everyone! To recap the month of September, we began our school year by discussing All About Me and then talking about animals, bugs and the season of Fall. We also reviewed our counting to 6. For the month of October, we will be discussing colors, dinosaurs, emotions and family as well as the color green. We will also be celebrating our fall festival with a party and costume parade. Towards the end of the month, we will be having Child Find Screenings for your child to test their vision. hearing as well as their growth & development. In our media table, we will continue our fall themed sensory objects. It should be a great month! Happy Fall!

THE EXPLORERS (3-4 Year Olds)

To recap the month of September, we discussed and learned about ourselves and our family. This month has been "All about me" and "All about our families." We talked about who lives in our homes and their full names. We learned about what city and state we live in, as well as, worked on letters too. For the month of October, we will begin to work on Fall Harvest. We will discuss why the leaves change colors, why it's called fall, what holidays are in the fall and the things we do in the fall. We will also review the alphabet, our numbers from 1-5 and continue to work on recognition. We will also begin a safety project and learn some safety tips. It will be a fun, interesting month. If you have any question or concerns, feel free to contact me at 773-622-9433 Ext. 25 or email me at mss.cintya@gmail.com .

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

Goodbye September! Because of so many new faces in the classroom, what a better way to focus this month on an "All About Me" lesson. In this lesson the children learned many similarities and differences between them and their friends. And of course, we got straight to work as we also focused on academics: the alphabet (letter/sound recognition), counting 1-31, identifying numbers 1-12, the calendar, shapes, colors (in English and Spanish) and identifying the first letter in our names. We will also work on fine motor skills such as coloring and scissor cutting. In addition, we will learn about Fall and all it entails, along with fun Fall projects. And let's not forget our Fall Fest that the children will be asked to come to school dressed in their costumes. Lastly parents, check your child's cubby daily as class work and/or homework will be going home. We ask that you please take the time to work with your child at home with their homework. Remember, consistency is key to success

BUTTERFLIES (3 Year Olds)

As Autumn welcomes us to the month of October, I want to talk to you about a few activities and things going on in the month of October. First, I would like to talk about our Child Find Screenings for all the children at Toddler Town Daycare Too October 23rd & 24th. We are thankful for CPS for coming and helping us with those screenings. Also, we will be having some very interesting activities with the children learning about color change in the leaves, weather change and what we should be wearing for the type of climate we will be having soon. We will enjoy going for walks to see the different colored leaves and will get the chance to bring them in to show our family members.

If you have any questions or concerns feel free to speak with Ms. Yvonne or Ms. Irene. My email is sosa.yvonne@yahoo.com phone number (773)622-9433 Ext: 23

TOUCANS (2 Year Olds)

Goodbye September, hello October! Our classroom will start using different teaching styles at our group time. Ms. Selena and Ms. Areli will be using laminated numbers that are big enough for everyone to see. This will help the children be able to recognize numbers. We will introduce to the children the six different weather changes (sunny, rainy, snowy, windy, stormy and cloudy). In the month of October we will have four of our friends turn three years old (Aniyah, Kenzel, Noah and Xavier). To all the parents that will be celebrating birthdays in the Toucan's classroom you are more than welcome to bring Pizza (cheese only), sugar free juice & fruit (oranges, strawberries, bananas, and apples,). Wednesday October 31st 2018 we are having a harvest party. If there are any questions or concerns please contact Ms. Selena or Ms. Areli.
