## KOALAS (5 Year Olds)

As August closes in on us, we bid a fond farewell to the remaining graduates of 2018! We wish them the best of luck at their new schools and hope they visit us often! We had such a great month of learning! We studied the planets, the stars and dinosaurs. For the month of September, I would like to welcome both the new students and family members to the Koalas Classroom! With our first month of the school year, the students will be learning about their fellow class mates, the rules of the classroom and we will be studying the letters A, B, C, D, E, and F. Our class is going to have a great month of learning and fun! Parents: As your transitions into the Koalas Classroom, please be sure to update your child cubbies clothes. Also on the first day of school, you will receive a welcome letter of all the items and events to expect throughout the school year. If you have any questions or concerns you can either contact me via phone (773) 622-9433 ext. 27 or email [koalasclass05@gmail.com](mailto:koalasclass05@gmail.com).

## THE BEARS (4-5 Year Olds)

Happy September, everyone! A new school year is upon us! To recap the month of August, we reviewed the topic of same/different, patterning, sequencing and rhyming. We also enjoyed sand and water play as well as play time outdoors. Our student teacher Ms. Delia joined us for daily activities and group time as well. For the month of September, we will be beginning our new school year by discussing All About Me, animals, bugs and the season of fall. We will also begin our fall projects during this time as well as review our numbers from 1-5. It should be a great month!

## THE EXPLORERS (3-4 Year Olds)

The month of August was so much fun for the kids as we talked about our Five Senses: Sight, smell, hearing, taste and touch. We also continued with our daily routine learning numbers, shapes, days of the week and practicing our letters. For the month of September, we will discuss and learn about ourselves and our family. This month our theme is going to be, "All about me" and "All about our families." We will talk about who lives in our homes and their full names. The Children will continue to practice writing their names and homework will be given out so stay on the lookout. We will also begin a safety project and learn some safety tips. It will be a fun and interesting month! Again if you have any questions or concerns feel free to contact me at 773-622-9433 Ext.25 or email me at [mms.cintya@gmail.com](mailto:mms.cintya@gmail.com)

## BUMBLEBEES (3-4 Year Olds)

Goodbye August! We had so much fun in the month of August learning about different zoo animals of our choice in combination with color recognition. As for our names, we worked on identifying both the letter and sound of the 1<sup>st</sup> letter in our names. This has been such a success that the children are even beginning to identify projects based off the names.

Now it's Time to Welcome All the Students Back for the month of September! In the Month of September, we will be working on some familiar themes: Back to School, All About Me and All About my Family! The Bumblebees classroom is READY for SUCCESS!
