Where Your Child Always Comes First

KOALAS (5 Year Olds)

We had such a wonderful month of celebrations! We were able to explore various holidays that are from around the world like Hanukkah and Christmas. We also were able to participate in traditions such as playing Dreidel with coins. Our class had such a fantastic close out to 2018 and we can't wait to see what 2019 brings. For the month of January, we will start our new year off on the right foot! We will be studying sight words, the presidents, winter and practicing different science experiments. Along with these fun themes, there will be some exciting activities associated with them. Parents: Winter has finally arrived! That means we need to update our child's wardrobe. Please be sure to exchange any old clothes from your child's cubbies as well as have your child bring in all the winter accessories needed to explore the snow. If you have any questions or concerns please see me and I will be happy to help.

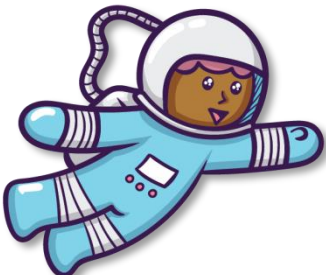

THE BEARS (4-5 Year Olds)

Happy Holidays everyone! I can't believe 2018 has come and gone and now we leap into 2019. I have been fortunate to leave my children with my fellow staff members and will be returning the second week of January from my yearly family trip. I will share photos with the children as I encourage you to do the same with your festive holiday photos. We will also start a brand new unit on Winter animals and I can't wait to get back into our daily routine.

Note: Upcoming 2019 school closings New Year's Eve Monday, December 31. New Year's Day Tuesday, January 1st. Martin Luther King Birthday Monday, January 21. **Friday March 1, 2019 for staff in-service**

THE EXPLORERS (3-4 Year Olds)

Happy New Year everyone! To recap the month of December we continued our letters and numbers by working on the letters O, P, Q and number recognition of 5, 6 and 7. December was a great month for the Explorers, the children did a lot of Christmas activities and projects. We also enjoyed our winter wonderland performance where the children did a great job.

For the month of January, we will discuss the topic of Winter, snow and cold days. We will use a lot of sensory activities such as Sparkly white sand sensory table, shaving cream to create the snow, cotton balls, Snow etc. Finally, parents please check cubbies to see if your child needs clothes and do not forget to use the plastic bags for Coats and Blankets if you don't have one please feel free and tell me. To finish I would like to thank my parents for being so awesome!

Where Your Child Always Comes First

BUMBLEBEES (3-4 Year Olds)

Hello Families, my name is Karla Corona for the past 3 weeks I have taken over for Ms. Barber. She is moving to a different city finding new opportunities for her life. We will be missing her, and we all wish her the best in her new journey. If you would like to reach out to her, I will be more than happy to give you her email. As for the classroom I will continue running the Bumblebee class as Ms. Barber had it and if you have any concerns and suggestions feel free to let me know. I want us to be on the same page for the good of the children and for all the families to feel comfortable and happy with me and the progress your children are making. I will make sure each child learns more throughout the year and I will have fun and challenging activities where they can explore new things. I'm really looking forward to working with this class and meeting all the families. Feel free to email me to karlacorona91@gmail.com or you can call me at (773)622-9433 Ext 24 I will be more than happy to help.

BUTTERFLIES (3 Year Olds)

Happy New Year, 2019 is here! We want to wish everyone a wonderful new year and say that the butterfly classroom has been awesome this year and we want to keep the momentum going full throttle. To start this year off, the butterfly classroom will begin with some science activities for the children's sensory skills. Also, our theme for the month of January is Fairy tales & folk tales. We will be reading stories, creating the characters in the stories and discussing what fairy and folk tales are. The butterfly classroom wish you and your families a great start to 2019. **If you have any question or concerns feel free to ask Ms. Yvonne or Ms. Irene. My email is yvonne@toddlertownchicago.com or you can call me @ (773) 622- 9433 Ext. 23.**

TOUCANS (2 Year Olds)

Welcome 2019! New year & new fun ideas in the toucan classroom. We will continue working on winter activities throughout the month of January 2019. We hope that it snows so we can take the children outside to have that winter experience in good ole CHICAGO!!!

One of the many projects the children will be making a snowman using cotton balls and a water bottle. They will decorate the water bottle as they desire using buttons, eyeballs and a variety of art materials. The days leading up to Martin Luther King Jr's birthday (January 21st observed) the children will be making a special activity honoring Martin Luther King Jr. We would also like to wish a happy birthday to all the January birthday children. (To all the birthdays in January the children are more than welcome to bring snacks or pizza (cheese only) on the day of their birthday.)
