have any questions ☺☺☺**

# Where Your Child Always Comes First

## KOALAS (5 Year Olds)

We can finally say that spring is here, and we're loving it! We had such a great month of learning! We reviewed numbers and practiced different kinds of addition problems. It was confusing at first but once the children were introduced to a few different kinds of methods for solving an addition problem, they were able to get the hang of it. April is not only going to bring showers but it will also bring plenty of learning! We will be studying the changing of the weather, subtraction and celebrating NAEYC's week of the young child. These lesson plans will be jam packed with fun fill activities! Parents: Please be on the lookout for flyers about graduation, NAEYC's Week of the Young Child activities, and picture day.

---

## THE BEARS (4-5 Year Olds)

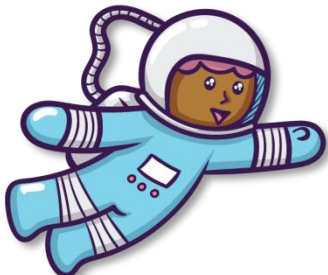

Happy Spring, everyone! To recap the month of March, we reviewed the topics of transportation, umbrellas, spring and vegetables. We also had parent-teacher conferences. We created our spring flowers and planted our own vegetables. We also reviewed our numbers from 1-20. For the month of April, we will discuss the topics of weather, the color yellow and zoo animals and review our alphabet. We will also celebrate the WOYC from April 22-26th. More details regarding this will follow. It should be a great month! Field trip on Thursday 4/26 to see Little Red Riding Hood.

Ms. Taga

---

## THE EXPLORERS (3-4 Year Olds)

Bye bye winter days, and Welcome Spring. March was a wonderful month for the explorers, we talked about Saint Patrick's Day . We also did some projects to create our Spring Bulletin board. The children continue learning to recognize and write letters of the alphabet. We Focused on the letter "Uu, Vv & Ww". We also, continued reviewing our bilingual lessons, such as colors, numbers and days of the week using different types of learning.

For the month of April, we will continue reviewing our Alphabet and talk about spring using different topics such as umbrella, rainy days, flowers, etc. With that we will be enjoying more of the outdoors so please Parents, be sure to bring necessary outdoor attire and utilize your child's clear bags for their coats and/or home toys. If you have any question, feel free to contact me at 773-622-9433 Ext. 25 or

## BUMBLEBEES (3-4 Year Olds)

March was a great month for the bumblebee's, they were able to learn and understand the meaning of family. We celebrated Saint Patrick's Day with fun crafts. For the month of April, we will continue to recognize and write letters of the alphabet. We reviewed bilingual lessons in Spanish, such as colors, numbers and new vocabulary words. During the month of April, we will have an egg hunt. More information will be provided soon. Parents please make sure to bring the field trip form on time and pictures form as well. Picture day will be taking place on Thursday April 11,2019 and Field trip on Thursday April 25,2019. One more thing, parents please make sure to update your child's cubby. If you have any question please feel free to email me [karlacorona91@gmail.com](mailto:karlacorona91@gmail.com)  
Thank you to all the parents for the support!

## BUTTERFLIES (3 Year Olds)

IT'S SPRING!! Thankfully March came soon enough and brought us spring, now we hope to enjoy April's showers. I am so excited for April and all its upcoming activities this month. Starting off with April 19<sup>th</sup>, the center will be closed for Good Friday, so please make sure to have your schedule ready for a home sitter. But the best part is The WEEK OF THE YOUNG CHILD! Monday, April 22 Music, Toothy Tuesday, Walk-o-thon Wednesday, Talent Thursday, we will be going on a FIELD TRIP and Family Friday. There will be flyers posted up for everyone to see and I hope to see all my beautiful families being apart of our butterfly classroom. This will be the most enjoyable part of spring. Please make sure to have children with the right clothing for temperatures as this beautiful sun can be tricky.

If you have any question or concerns feel free to ask Ms. Yvonne or Ms. Irene. My email is [yvonne@toddlertownchicago.com](mailto:yvonne@toddlertownchicago.com) or you can call me @ (773) 622- 9433 Ext. 23.

## TOUCANS (2 Year Olds)

The Toucans will be welcoming SPRING back!! We will bring back our adventure walks around the neighborhood to see the sun, birds and plants this month. We will start our plant unit by planting seeds in our pots and learning the cycle of plants. Thank you to all parents that brought in their pots for our upcoming plant unit. We are going to continue focusing on shapes, numbers 1-10 and learning how to trace the shapes while we are guiding the children during our morning circle time. This will help the children practice and increase their fine motor skills. We also want to remind parents about the upcoming "WEEK OF THE YOUNG CHILD" information. That info will be displayed in the Toucans classroom. If there are any concerns, please contact Ms. Areli and Ms. Selena at [areli@toddlertownchicago.com](mailto:areli@toddlertownchicago.com) or you can call us at (773) 622-9433 EXT 22.
