

A SCHOOL FIELD TRIP WITH A DIFFERENCE

FUN AND LEARNING COMBINED AT TREERUNNER!

When students go for a climb through the trees and zip line at TreeRunner Rochester at Oakland University, they will have the time of their lives. More importantly, they will be learning about themselves and the world around them.

It is amazing how having so much fun can be educational as well. TreeRunner Rochester is good for the mind and body.

Our park features 8 aerial trails, 60 exciting obstacles, and 25 zip lines. This experience offers a great "half-day" field trip that encourages teamwork, leadership skills, and group cohesion. Sometimes the best learning experiences occur outside of the classroom!
