

Doggie Dining in the Patio

No need to leave your pal at home! Grill'Em's got dog-friendly outside patio seating for everyone. We've just got a few rules to follow.

1. Please make sure that your dog is well-behaved around other people, especially the kiddos. Doggie etiquette includes no barking, no biting, and no begging...because he or she's such a Good Boy or Girl!

2. Your four-legged pal must be on a leash, beside you, and tied to your chair and not the table at all times in order to avoid any spills or accidents.

3. Unfortunately, according to the Health Department, man's best friend, large or small, cannot sit on your lap, on a chair, or on the table.

4. BYODB. **B**ring **y**our **o**wn **d**oggie **b**owl or we'll be happy to provide one for your pooch. Just ask your server and your dog can have some refreshing water to enjoy.

5. With the exception of service dogs, your pal isn't allowed inside the restaurant.

6. And as much as we love dogs, employees are not allowed to pet your puppy, no matter how cute they are!

Come enjoy the awesome weather and cheer for your favorite sports team! See you at Grill'Em...woof, woof!
