# SIRO

- ★ SPRING TENSION FOR EXCELLENT FABRIC STABILITY
- ★ ADJUSTABLE HANDLE POSITIONING
- ★ 90° ADJUSTABLE MOUNTING FLANGE WITH CASSETTE PROTECTION FOR FABRIC ROLLUP

## TOP VIEW

The **SIRO** side shade is a multi-functional side shade for privacy, wind control, and low angle sun protection. The lateral shading device is also a great addition to overhead sun protection systems. An integral tension spring component maintains optimum fabric tensioning and the cassette housing provides complete fabric protection when the unit is retracted.

The adjustable 90 degree lateral mounting flanges permit vertical and horizontal installation. Vertical installations require post support for the hand operated variable pullout with adjustable handle positioning.

## PRODUCT SPECIFICATIONS

<b>Draw</b>	3'3" – 12'0"
<b>Height</b>	3'11" – 6'6"
